Image Brokers Zeynep Devrim Gursel, 2016-04-12 Image Brokers is an in depth ethnography that reveals the labor and infrastructure behind news images and how they are circulated Zeynep Devrim Geursel presents an intimate look at the ways image brokers the people who manage the distribution or restriction of images construct and culturally mediate the images they circulate Through this framework news images become commodities that impact how politics and culture are visualized in the world Set against the backdrop of the War on Terror and based on fieldwork conducted at the photojournalism industry s centers of power in New York and Paris Image Brokers explores the transition from analog to digital technologies and shows how new digital and social media platforms continue to change photojournalism and create ever widening distribution networks The book is a powerful investigation of the processes of decision making amid the changing infrastructures of representation Provided by publisher

Activestills Vered Maimon, Shiraz Grinbaum, 2016-10-20 In 2005 a group of photographers took a stand alongside the people of the small town of Bil in and documented their fight to stop the Israeli government building the infamous West Bank Barrier Inspired by what they had seen in Bil in the group went on to form Activestills a collective whose work has become vital in documenting the struggle against Israeli occupation and everyday life in extraordinary situations Activestills Photography as Protest in Palestine Israel examines the collective s archive and activity from historical theoretical critical and personal perspectives It is the result of an in depth dialogue among members of the collective and activists journalists intellectuals and academics and stands as the definitive study of the collective s work Combining striking full colour photographs with essays and commentary Activestills stands as both a major contribution to reportage on Israel Palestine and a unique collection of visual art **19h59** David
