Grimes,Jesper M. Johansson,2007-07-02 It s not the computer The hacker s first target is YOU A dirty little secret that vendors don t want you to know is that good computer security doesn t cost a thing Any solution you can buy is guaranteed to fail Malicious hackers use this fact to their advantage Real security is gained by understanding the enemy s tactics and offsetting them with appropriate and consistently applied Windows settings These expert authors realize that an effective strategy is two parts technology and one part psychology Along with learning about Vista s new security features such as UAC integrity controls BitLocker Protected Mode and IIS 7 learn common sense recommendations that will immediately provide reliable value Vista Security Tips Have a healthy sense of paranoia Understand and apply the basics properly Use longer passwords No longer than that Use admin privilege very sparingly Don t believe Internet Explorer Protected Mode will stop all attacks Don t believe DEP can stop all attacks Don t believe any technology can stop all attacks **Green Sabbath and the Last Vista of Hope, The** Chinedu Daniel Obasi, Chinedu Daniel Obasi s latest literary contribution The Green Sabbath and the Last Vista of Hope is the result of a careful examination of numerous newsworthy occurrences transpiring on the world stage and their apocalyptic implications Readers will be soberly intrigued by how intertwined these occurrences are and how they crystalize and verify the predictions made by Daniel the apostle John and other Bible prophets Obasi begins by highlighting several environmental and ecological developments and their parallels to what Jesus called the early birth pangs of end time unfolding From here he points to the responses from political and ecclesiastical leaders regarding these developments and how this is all laying the foundation for the diminishing of religious and civil liberty as foretold in Revelation 13 While this well researched book discusses many

topics including global warming Catholicism the old and new covenants and Islam the author skillfully ties everything together to alert as many as possible to the solemn times in which we live and the need to increase awareness and preparedness However his greatest emphasis is on the One who is truly in charge of the past present and future the One in whom we can place our confidence

Channeling Joel Bjorling,2019-06-19 Originally published in 1992 Channeling is a comprehensive bibliography on the subject of channeling The book defines channeling as any message received or conveyed from transcendent entities and covers material on the history of channeling those that have claimed to transcend death contact with UFOs and contemporary channeling groups The book acts as a research guide and seeks to outline the historical roots of channeling explaining its major teachings and considers its significance as a spiritual movement It provides sources from books booklets articles and ephemeral material and offers a comprehensive list of both primary and secondary materials related to channeling the bibliography takes the most diverse and useful sources of the time This volume although published almost 30 years ago still provides a unique and insightful collection for academics of religion in particular those researching spiritualism and the occult
