Ushers Anniversary Sermons:

The Rich Heritage of Stewart Memorial United Methodist Church Jake Miller, 2011 Building on Wings of Faith In 1868 with the nation in general disarray following the American Civil War the Methodist Church began to form mission churches for freed Blacks in the South It was out of these mission efforts that the historically important Stewart Memorial Methodist Church was founded in 1893 Daytona Florida In 1939 when several Methodist Churches reunited and assumed the title Methodist Church Black Methodist Churches were included but they were placed in the segregated Central Jurisdiction of the Methodist Church Stewart Memorial Episcopal Church was renamed Stewart Memorial Methodist Church There was still another change to come When several Methodist based churches united in 1967 and became the United Methodist Church Stewart Memorial assumed its present name Stewart Memorial United Methodist Church Since its beginning more than forty ministers have served pastoral charges at Stewart Memorial Through the years the United Methodist Church evolved and so did Stewart Memorial but the basis foundation of Methodism was unshakable Methodism as perceived by John Wesley emphasized small group worship which was described as A company of men having the form and seeking the power of godliness united in order to pray together to receive the word of exhortation and to watch over one another in love that they may help each other to work out their salvation Making up these small groups under Wesley were those who had a desire to flee from the wrath to come and to be saved from their sins It is upon the sound foundation of Methodism as emphasized by Wesley that Stewart Memorial was founded and continues to exist

Sermons Preached Before the Society at Their Anniversary Meetings Society for the Propagation of the Gospel in Foreign Parts (Great Britain), 1730 Baptist Commonwealth, 1909 **Sermons of Serenity** Pastor Hasan Smith, 2024-08-24 Have you been facing troubles in life and it seems as if you are struggling more and more just to make it day to day Have you been seeking answers to the mysteries of life and the purpose for your creation and existence In search of peace and a better life along with seeking answers love and acceptance have you attended or joined a church which revealed itself to be a place of chaos and confusion An institution where you experienced feelings of rejection abuse hurt and control Have you attempted to read the Bible but for whatever reason the words just did not resonate Or maybe you just love God's word and enjoy learning as much as you can about living the life God purposed for you If any of these apply Sermons of Serenity is for you Despite any trials tribulations or struggles that you might be facing God loves you He wants to talk to you God desires to have a better relationship with you The ultimate tool and primary way that God talks to us is through His word Second Timothy 3 16 17 NIV reads All scripture is God breathed and is useful for teaching rebuking correcting and training in righteousness so that the servant of God may be thoroughly equipped for every good work Whatever your path whatever you may be struggling with or trying to make it through as David said the Word of God is literally a lamp unto your feet and light unto your path Psalm 119 195 I wrote Sermons of Serenity to assist you on your journey and relationship with God Sermons of Serenity is a personal discussion

between me and you teaching you about the Word of God and the lives of historical figures throughout the Bible who we can all learn from It is my prayer that through your reading you will be taught encouraged motivated and your faith will increase Blessings *Voices of Black Folk* Terri Brinegar,2022-04-19 Recipient of a 2023 Certificate of Merit for Best Historical Research in Recorded Blues R B Gospel Hip Hop or Soul Music from the Association for Recorded Sound Collections In the late 1920s Reverend A W Nix 1880 1949 an African American Baptist minister born in Texas made fifty four commercial recordings of his sermons on phonographs in Chicago On these recordings Nix presented vocal traditions and styles long associated with the southern rural Black church as he preached about self help racial uplift thrift and Christian values As southerners like Nix fled into cities in the North to escape the rampant racism in the South they contested whether or not African American vocal styles of singing and preaching that had emerged during the slavery era were appropriate for uplifting the race Specific vocal characteristics like those on Nix s recordings were linked to the image of the Old Negro by many African American leaders who favored adopting Europeanized vocal characteristics and musical repertoires into African American churches in order to uplift the modern New Negro citizen Through interviews with family members musical analyses of the sounds on Nix s recordings and examination of historical documents and relevant scholarship Terri Brinegar argues that the development of the phonograph in the 1920s afforded preachers like Nix the opportunity to present traditional Black vocal styles of the southern Black church as modern Black voices These vocal styles also influenced musical styles The moaning voice used by Nix and other ministers was a direct connection to the blues moan employed by many blues singers including Blind Willie Blind Lemon and Ma Rainey Both Reverend A W Nix and his brother W M Nix were an influence on the Father of Gospel Music Thomas A Dorsey The success of Nix s recorded sermons demonstrates the enduring values African Americans placed on traditional vocal practices **Services at the Celebration of the Two Hundred and Fiftieth Anniversary of the Organization of the First Church in Cambridge, February 7-14, 1886** First Parish
