The Return of the Russian Leviathan Sergei Medvedev, 2019-12-18 Winner of the 2020 Pushkin House Book Prize Russia's relationship with its neighbours and with the West has worsened dramatically in recent years Under Vladimir Putin's leadership the country has annexed Crimea begun a war in Eastern Ukraine used chemical weapons on the streets of the UK and created an army of Internet trolls to meddle in the US presidential elections How should we understand this apparent relapse into aggressive imperialism and militarism In this book Sergei Medvedev argues that this new wave of Russian nationalism is the result of mentalities that have long been embedded within the Russian psyche Whereas in the West the turbulent social changes of the 1960s and a rising awareness of the legacy of colonialism have modernized attitudes Russia has been stymied by an enduring sense of superiority over its neighbours alongside a painful

nostalgia for empire It is this infantilized and irrational worldview that Putin and others have exploited as seen most clearly in Russia's recent foreign policy decisions including the annexation of Crimea This sharp and insightful book full of irony and humour shows how the archaic forces of imperial revanchism have been brought back to life shaking Russian society and threatening the outside world It will be of great interest to anyone trying to understand the forces shaping Russian politics and society today Also available as an audiobook Doris Lessing and the Forming of History Brazil Kevin Brazil, 2016-09-20 Explores Doris Lessing's innovative engagement with historical change in her own lifetime and beyond The death of Nobel Prize winning Doris Lessing sparked a range of commemorations that cemented her place as one of the major figures of twentieth and twenty first century world literature This volume views Lessing's writing as a whole and in retrospect focusing on her innovative attempts to rework literary form to engage with the challenges thrown up by the sweeping historical changes through which she lived The 12 original chapters provide new readings of Lessing's work via contexts ranging from post war youth politics and radical women's writing to European cinema analyse her experiments with genres from realism to autobiography and science fiction and draw on previously unstudied archive material The volume also explores how Lessing's writing can provide insight into some of the issues now shaping twenty first century scholarship including trauma ecocriticism the post human and world literature as they emerge as defining challenges to our own present moment in history Key Features Offers a critical overview of the full range of Lessing's work setting the agenda for future study of her writing Provides new readings of an unprecedented range of Lessing's writing including previously unstudied archive material landmark novels such as *The Golden Notebook* drama and reportage essays memoirs and short stories Situates Lessing in relation to new literary and cultural contexts including the nineteenth century novel series cinema and post war youth culture Relates Lessing's work to contemporary theoretical debates on post humanism trauma ecocriticism radical women's writing and world literature Bucharest Diary Alfred H. Moses, 2018-07-17 An insider's account of Romania's emergence from communism control In the 1970s American attorney Alfred H Moses was approached on the streets of Bucharest by young Jews seeking help to emigrate to Israel This became the author's mission until the communist regime fell in 1989 Before that Moses had met periodically with Romania's communist dictator Nicolae Ceausescu to persuade him to allow increased Jewish emigration This experience deepened Moses's interest in Romania an interest that culminated in his serving as U S ambassador to the country from 1994 to 1997 during the Clinton administration The ambassador's time of service in Romania came just a few years after the fall of the Berlin Wall and the subsequent collapse of communism in Eastern Europe During this period Romania faced economic paralysis and was still buried in the rubble of communism Over the next three years Moses helped nurture Romania's nascent democratic institutions promoted privatization of Romania's economy and shepherded Romania on the path toward full integration with Western institutions Through frequent press conferences speeches and writings in the Romanian and Western press and in his meetings with Romanian officials at the

highest level he stated in plain language the steps Romania needed to take before it could be accepted in the West as a free and democratic country Bucharest Diary An American Ambassador s Journey is filled with firsthand stories including colorful anecdotes of the diplomacy both public and private that helped Romania recover from four decades of communist rule and eventually become a member of both NATO and the European Union Romania still struggles today with the consequences of its history but it has reached many of its post communist goals which Ambassador Moses championed at a crucial time This book will be of special interest to readers of history and public affairs in particular those interested in Jewish life under communist rule in Eastern Europe and how the United States and its Western partners helped rebuild an important country devastated by communism

Collapse Vladislav M. Zubok,2021-11-30 A major study of the collapse of the Soviet Union showing how Gorbachev s misguided reforms led to its demise A deeply informed account of how the Soviet Union fell apart Rodric Braithwaite Financial Times A masterly analysis Joshua Rubenstein Wall Street Journal In 1945 the Soviet Union controlled half of Europe and was a founding member of the United Nations By 1991 it had an army four million strong with five thousand nuclear tipped missiles and was the second biggest producer of oil in the world But soon afterward the union sank into an economic crisis and was torn apart by nationalist separatism Its collapse was one of the seismic shifts of the twentieth century Thirty years on Vladislav Zubok offers a major reinterpretation of the final years of the USSR refuting the notion that the breakup of the Soviet order was inevitable Instead Zubok reveals how Gorbachev s misguided reforms intended to modernize and democratize the Soviet Union deprived the government of resources and empowered separatism Collapse sheds new light on Russian democratic populism the Baltic struggle for independence the crisis of Soviet finances and the fragility of authoritarian state power

The Ravine of Memory Shay A. Pilnik,2025-03-15 The Nazis and their collaborators buried over 100 000 victims at Babyn Yar a ravine in modern day Ukraine Most of the individuals were Jewish making this area one of the most infamous mass murder sites in history The Ravine of Memory starts when the travesty ends telling the story of the ravine s memory and forgetting in Soviet literature and culture in Russian as well as in Yiddish This book challenges the prevailing binary conceptions of Babyn Yar as exclusively a Holocaust or a Great Patriotic War story It is neither the exclusive product of Soviet censorship nor individual dissidents Babyn Yar is more than a physical space where untold horrors took place Symbolically it is the ultimate meeting point of so many disparate threads of Soviet culture the state and the artist the Jew and the non Jew and the Holocaust and the Great Patriotic War Ultimately it is a place that reveals the frailty and courage of those who bear witness to atrocity
