**The Dandelion Garden** Barbara McLain, 2024-05-09 The year 1965 in Wakely, a small county seat in southeastern Kansas is one filled with mystery, secrets and discoveries. Eleven-year-old Becky Raines and her family have lived in this community for three and a half years. A pastor's family, she and her three siblings are expected to be good examples for other people. As Becky experiences everyday life in a small town, other issues make their appearance: from the Shadow Woman who scurries the alleys at night to Mrs. McAdoo who continues to take advice from her long-deceased husband to the racial tension, the Vietnam War and the space race of that year. In *The Dandelion Garden*, a historical fiction novel, colorless, grainy television news reports transfer into the schoolyard, the sanctuary and even into a little girl's vision of a dandelion garden until shadows disappear and nothing seems black and white anymore

*Seeds of Hope* Doreen Weinberg, 2023-06-06 *Seeds of Hope: A Guide to Growing Your Spiritual Garden*. Our spiritual garden much like our actual garden needs the same elements to grow and flourish: to reap a bountiful harvest. In this book, you and your small group will learn the basics of growing your spiritual garden and how to pass on the fruits of your labor with others. In the fourteen chapters, you will focus on the key elements of spiritual growth. Learn the importance of location, sunlight, choosing the right seeds, staying close to the living water and choosing the suitable soil for your growth. Develop an understanding of the role of the Holy Spirit, the mulch in your garden, the instructions in the manual you have been given, which containers are best for optimal growth and how to nourish and maintain your garden. Discover the power and benefits of pruning in your garden and the reasons behind your fallow seasons, those times of rest and regeneration. Spread seeds of hope you have developed with those in your Jerusalem, Judea and Samaria. This study will walk you through the Bible with examples of how others trusted the Master Gardener and will provide practical ways to grow your spiritual garden. Whether you are a new or seasoned believer, this study will resonate with you.
