Post-Apocalyptic Cultures Julia Urabayen, Jorge León Casero, 2024-03-19 This book advocates for the necessity of recovering the value of utopias as political projects that open new channels of action The criticism of modern political utopias is based on the supposed impossibility of creating for the future because there is no longer a future apocalyptic ideology However this edited collection seeks to show that the post apocalyptic world in which we live entails a renewed freedom of design for the radical reorganization of institutions Post apocalyptic cultures are not obligated to follow the capitalist anthropocentric correlationist and sovereign modes of the old political project of emancipation the Western enlightenment that has started to collapse With this in mind this book is divided into four sections dedicated to the main themes from which to rethink the projects of political emancipation that are possible nowadays technopolitics posthumanist biopolitics non western politics and the crossover between arts and politics

A Grammar of the Corpse Elizabeth Spragins, 2023-06-06 No matter when or where one starts telling the story of the battle of al Qasr al Kabir August 4 1578 the precipitating event for the formation of the Iberian Union one always stumbles across dead bodies rotting in the sun on abandoned battlefields publicly displayed in marketplaces exhumed and transported for political uses A Grammar of the Corpse Necroepistemology in the Early Modern Mediterranean proposes an approach to understanding how dead bodies anchored the construction of knowledge within early modern Mediterranean historiography A Grammar of the Corpse argues that the presence of the corpse in historical narrative is not incidental It fills a central gap in testimonial narrative providing tangible evidence of the narrator's reliability while provoking an affective response in the audience The use of corpses as a source of narrative authority mobilizes what cultural historians philosophers and social anthropologists have pointed to as the latent power of the dead for generating social and political meaning and knowledge A Grammar of the Corpse analyzes the literary semiotic and epistemological function these bodies serve within text and through language It finds that corpses are indexically present and yet disturbingly absent a tension that informs their fraught relationship to their narrators own bodies and makes them useful but subversive tools of communication and knowledge A Grammar of the Corpse complements recent work in medieval and early modern Iberian and Mediterranean studies to account for the confessional ethnic linguistic and political diversity of the region By reading Arabic texts alongside

Portuguese and Spanish accounts of this key event the book responds to the fundamental provocation of Mediterranean studies to work beyond the linguistic limitations of modern national boundaries

The Book of Deeds of James I of Aragon Damian J. Smith, Helena Buffery, 2020-04-13 The Book of Deeds is the first known autobiography by a Christian king Its author was James I of Aragon 1213-76 known as The Conqueror one of the great political figures of 13th century Europe and a successful crusader In his Deeds James describes the turbulent years of his minority the thrilling capture of Majorca the methodical conquest of the kingdom of Valencia the reconquest of the kingdom of Murcia after Castile had failed to hold it and many of the important events of his reign While crusade and conquest of Spanish territory from the Muslims and Christian Muslim relations on the frontier are central features of the account the Deeds are also a treasure trove of information on the image power and purpose of monarchy loyalty and bad faith in the feudal order the growth of national sentiment and medieval military tactics At the same time the book presents a unique insight into the mind of a medieval ruler the supreme example we possess of the fears and ambitions of a man at the very centre of events

William Ellery Leonard Neale Reinitz, 2013-06-20 William Ellery Leonard was an eccentric poet professor and critic whose romantic ideals were set against a world whose aesthetics were fast turning away from his own He lived a life marked by both success and dramatic failure both personally and professionally His first wife's suicide would haunt him and mark one of his greatest poems the sonnet sequence *Two Lives* his translations of Lucretius and Beowulf stood as hallmarks of the craft for decades after they were published and his political satires written in response to the University sphere he lived and worked in remain as effective today as they once were

Notes for a Decolonial Political Theology Silvana Rabinovich, 2023-12-29 At the crossroads of ethics poetics and politics this innovative book outlines a series of notes to decolonize political theology The author proposes counter hegemonic forms of reading which deconstruct domination by embracing fragility The book opens with a diapason of prejudicelessness as a decolonial key focusing on prejudices that hinder critical attention to a colonial political theology that perpetuates hatred The first set of notes aims to de-orientalize the Semite by reading midrashic and biblical texts in the present context the second seeks to decolonize language by exploring the power of translation and the third ponders decolonial theologies to outline a justice of the other Connecting a number of fields authors and epistemologies the book addresses the Israeli Palestinian conflict and brings together Jewish thought continental philosophy and Latin American perspectives It engages with a range of thinkers including Benjamin and Arendt and features an interview with Enrique Dussel as well as a foreword by Gil Anidjar This is an important methodological proposal for interdisciplinary and intercultural political theology and a valuable contribution towards rethinking the paradigm of political theology beyond its Eurocentric and colonialist premises
