realm is very real Many people who have been privileged to peep into these realms confirms over and over that just as the Earth is real so also the realm we cannot see or feel is very real God uses the gift of the prophetic to reveal this realm to his own anointed ones The Lord called me and said I want you to document those things I continue to show you so you can create the awareness of my abode and my coming kingdom That is the motivation behind this book You will discover it an unusual book I also try to put some pictorial presentation in some of the report So this book PROPHETIC VISION OF HEAVEN written is to create awareness among God people and to draw many away from extreme worldly attraction to heavenly things When you go through a book as this you will know that truely God is real and his abode is real Also he is coming soon to take his own to himself Please read with an open mind and heart and let the Holy Spirit give you understanding of what is revealed in this book Prophetic Visions of Heaven Prophetess Victoria Adesipe
