workplace **Social Chemistry** Marissa King, 2022-01-04 One of the most interesting and useful books ever written on networking Adam Grant Social Chemistry will utterly transform the way you think about networking Understanding the contours of your social network can dramatically enhance personal relationships work life and even your global impact Are you an Expansionist a Broker or a Convener The answer matters more than you think Yale professor Marissa King shows how anyone can build more meaningful and productive relationships based on insights from neuroscience psychology and network analytics Conventional wisdom says it's the size of your network that matters but social science research has proven there is more to it King explains that the quality and structure of our relationships has the greatest impact on our personal and professional lives As she illustrates there are three basic types of networks so readers can see the role they are already playing Expansionist Broker or Convener This network decoder enables readers to own their network style and modify it for better alignment with their life plans and values High quality connections in your social network strongly predict cognitive functioning emotional resilience and satisfaction at work A well structured network is likely to boost the quality of your ideas as well as your pay Beyond the office social connections are the lifeblood of our health and happiness The compiled results from dozens of previous studies found that our social relationships have an effect on our likelihood of dying prematurely equivalent to obesity or smoking Rich stories of Expansionists like Vernon Jordan Brokers like Yo Yo Ma and Conveners like Anna Wintour as well as personal experiences from King's own world of connections inform this warm engaging revelatory investigation into some of the most consequential decisions we can make about the trajectory of our lives *Wellbeing: The Five Essential Elements* Tom Rath, James K. Harter, 2010-05-04 Shows the interconnections among the elements of well being how they cannot be considered independently and provides readers with a research based approach to improving all aspects of their lives MWF Seeking BFF Rachel Bertsche, 2011-12-20 When Rachel Bertsche first moves to Chicago she's thrilled to finally share a zip code let alone an apartment with her boyfriend But shortly after getting married Bertsche realizes that her new life is missing one thing friends Sure she has plenty of BFFs in New York and San Francisco and Boston and Washington D C Still in her adopted hometown there's no one to call at the last minute for girl talk over brunch or a reality TV marathon over a bottle of wine Taking matters into her own hands Bertsche develops a plan She'll go on fifty two friend dates one per week for a year in hopes of meeting her new Best Friend Forever In her thought provoking uproarious memoir Bertsche blends the story of her girl dates whom she meets everywhere from improv class to friend rental websites with the latest social research to examine how difficult and hilariously awkward it is to make new friends as an adult In a time when women will happily announce they need a man but are embarrassed to admit they need a BFF Bertsche uncovers the reality that no matter how great your love life is you've gotta have friends Sustained Leadership WBS Thomas G. Reid, 2017-09-26 The Sustained Leader WBS provides a comprehensive tool for assessing and improving leadership potential A Work Breakdown Structure decomposes every part of the work to be done in a project Through extensive research and

surveys the author has identified 229 WBS elements that apply to building yourself into a sustained leader Each element provides a self assessment additional resources and a place to record personal goals and due dates giving each reader a personal program plan to build themselves into a better leader *Fomenting Friendship* Andrea Chandler, 2025-04-15 In studies of comparative politics and public policy specifically interpersonal friendship has been generally regarded as a matter that belongs to the private domain rather than a site for government intervention And yet friendship is inherently political While friendships can and do evolve spontaneously between individuals political factors can help to bring people together or drive them apart *Fomenting Friendship* examines the ways in which friendship has been perceived in comparative politics and the barriers to friendship that exist in capitalist society These barriers Andrea Chandler contends have been shaped by government policy Reviewing the abundant evidence that shows that access to friendship is socially determined and that a lack of access to friendship disadvantages the individual in numerous ways Chandler effectively makes the case that government has a role to play in encouraging interpersonal friendship including calling upon politicians to model friendly and inclusive behaviour in public This book is a natural resource for all those looking for answers and best policy practices for encouraging friendship and uncovering unanswered questions about friendship The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license Funding for the Open Access has been provided by the Department of Political Science Carleton University
