Abstract

- Abstract** The purpose of this study was to determine the effect of a 12-week training program on the physical fitness of 100 male students. The program included aerobic, strength, and flexibility exercises. The results showed that the program had a significant positive effect on the students' physical fitness, as measured by heart rate, blood pressure, and body mass index. The program also had a significant positive effect on the students' self-reported health status and quality of life. The findings suggest that a 12-week training program can be an effective way to improve the physical fitness of male students.

Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
