African Standby Force Francois VreA, 2017-10-28 Standby forces of the African Union are expected to deploy rapidly into high intensity conflict zones Inherently they stem from and are expected to work effectively with regional militaries of differing capabilities But first the AU has to muster the political will to deploy the force at all and do it all on a shoestring budget VreA and Mandrup s edited volume illuminates through the chapter contributions the breadth of challenging political hurdles that the African Union s African Standby Force faces They do this in clear and readable terms This important book is imperative for anyone seeking to understand the rapid deployment forces on which African states have optimistically pinned the future of their collective security aspirations

Propaganda and Public Relations in Military Recruitment Brendan Maartens, Thomas Bivins, 2020-11-19 This book represents the first international investigation of military recruitment advertising public relations and propaganda Comprised of eleven case studies that explore mobilisation

work in Africa the Americas Asia and Europe it covers more than a hundred years of recent history with chapters on the First and Second World Wars the Cold War and the present day The book explores such promotion in countries both large and small and in times of both war and peace with readers gaining an insight into the different strategies and tactics used to motivate men women and occasionally even children to serve and fight in many parts of the world Readers will also learn about the crucial but little known role of commercial advertising public relations and media professionals in the production and distribution of recruitment promotion This book the first of its kind to be published will explore that role and in the process address two questions that are central to studies of media and conflict how do militaries encourage civilians to join up and are they successful in doing so It is a multi disciplinary project intended for a diverse academic audience including postgraduate students exploring aspects of war propaganda and public opinion and researchers working across the domains of history communications studies conflict studies psychology and philosophy

The Eastern Fleet and the Indian Ocean, 1942-1944 Charles Stephenson, 2022-04-06 A study of the British Royal Navy's activities in the Indian Ocean during World War II led by Admiral Sir James Somerville The story of the British Eastern Fleet which operated in the Indian Ocean against Japan has rarely been told Although it was the largest fleet deployed by the Royal Navy prior to 1945 and played a vital part in the theatre it was sent to protect it has no place in the popular consciousness of the naval history of the Second World War So Charles Stephenson's deeply researched and absorbing narrative gives this forgotten fleet the recognition it deserves British pre war naval planning for the Far East is part of the story as is the disastrous loss of the battleship Prince of Wales and battlecruiser Repulse in 1941 but the body of the book focuses on the new fleet commanded by Admiral Sir James Somerville and its operations against the Japanese navy and aircraft as well as Japanese and German submarines Later in the war once the fleet had been reinforced with an American aircraft carrier it was strong enough to take more aggressive actions against the Japanese and these are described in vivid detail Charles Stephenson's authoritative study should appeal to readers who have a special interest in the war with Japan in naval history more generally and Royal Navy in particular

Praise for The Eastern Fleet and the Indian Ocean 1942-1944 This meticulously researched outstandingly clear well written and absorbing account is long overdue and will most likely become a standard work The text is most helpfully supported by over 80 pages of detailed end notes referenced to each chapter and a detailed index This is not only a book for naval historians but also for anyone with an interest in the War in the Indian Ocean region Highly recommended Military Historical Society I enjoyed this book it gives us an account of an often neglected part of the war at sea and of the achievements of Admiral Somerville who kept his fleet intact in the face of a potentially overwhelming opponent then was willing to acknowledge that his fleet needed to improve massively before it could take on the Japanese Dr John Rickard author and webmaster of the Military History Encyclopedia on the Web

The Imperial Army Project Douglas E. Delaney, 2018-01-25 How did British authorities manage to secure the commitment of large dominion and Indian armies that could plan fight

shoot communicate and sustain themselves in concert with the British Army and with each other during the era of the two world wars What did the British want from the dominion and Indian armies and how did they go about trying to get it Douglas E Delaney seeks to answer these questions to understand whether the imperial army project was successful Answering these questions requires a long term perspective one that begins with efforts to fix the armies of the British Empire in the aftermath of their desultory performance in South Africa 1899 1903 and follows through to the high point of imperial military cooperation during the Second World War Based on multi archival research conducted in six different countries on four continents Delaney argues that the military compatibility of the British Empire armies was the product of a deliberate and enduring imperial army project one that aimed at standardizing and piecing together the armies of the empire while at the same time accommodating the burgeoning autonomy of the dominions and even India At its core this book is really about how a military coalition worked

Disarmament, Demobilisation and Reintegration of Ex-Combatants in Africa Ibrahim Bangura, 2023-07-17 This book critically examines the approaches to Disarmament Demobilisation and Reintegration DDR of ex combatants programming in Africa Drawing on empirical evidence from across the continent the book investigates the different theories contextual realities and approaches that have informed the establishment and implementation of such programmes the opportunities they have provided for stability peace and security and the challenges with which they have contended The book combines broader theoretical analysis with country specific case studies including Nigeria the Central African Republic South Sudan Somalia Liberia Sierra Leone Burundi Zimbabwe South Africa and the Democratic Republic of Congo Overall the book asks how DDR programming has evolved in Africa what factors have contributed to the success or failure of DDR processes and what we can expect for DDR in Africa in the future This book will be a useful guide for students and researchers across the fields of Peace and Conflict Studies Security Studies History Political Science Sociology and African Studies

Hunters among Farmers Akira Takada, 2023-08-29 Through moving life histories Akira Takada gives the Xun of north central Namibia a voice in their own history In contrast to other marginalised San minorities the Xun foster co operative relationships with their neighbours the Ovawambo and with the state In the face of radical social changes over the past century they have maintained traditional hunting and gathering as a backstop but also sold their skills and labour acquired their own farms and livestock and enriched their child rearing practices in changing ecological conditions Central to their identity and resilience are their kinship and naming practices which preserve their ethnic cohesion while promoting relationships with other groups Contributing to an established literature on the San Takada's book will allow detailed regional comparison on the Kung speaking groups of northern Namibia Charming sketches from his notebooks give an intimate view of the anthropologist in the field

Hollywood and Africa Dokotum, Okaka Opio, 2020-02-16 Hollywood and Africa recycling the Dark Continent myth from 1908 2020 is a study of over a century of stereotypical Hollywood film productions about Africa It argues that the myth of the

Dark Continent continues to influence Western cultural productions about Africa as a cognitive based system of knowledge especially in history literature and film Hollywood and Africa identifies the colonial mastertext of the Dark Continent mythos by providing a historiographic genealogy and context for the term s development and consolidation An array of literary and paraliterary film adaptation theories are employed to analyse the deep genetic strands of Hollywood Africa film adaptations The mutations of the Dark Continent mythos across time and space are then tracked through the classical neoclassical and new wave Hollywood Africa phases in order to illustrate how Hollywood productions about Africa recycle revise reframe reinforce transpose interrogate and even critique these tropes of Darkest Africa while sustaining the colonial mastertext and rising cyberactivism against Hollywood s whitewashing of African history Prisoners of War and Military Honour, 1789-1918 Jasper Heinzen, 2025-01-03 Early in the modern period prisoners of war with the rank of officer or equivalent had the right to petition for parole By effectively pawning their personal honour they were able to purchase freedom of movement and other privileges in captivity Increasingly other ranks and civilians claimed a right to parole too Based on material from close to thirty Australian British Dutch French German and Swiss archives Jasper Heinzen investigates the role and implications of honour based agreements between prisoners of war and their captors in western European warfare Across a range of ego documents ministerial memoranda the minutes of Masonic lodges and prisoners petitions as well as a substantial body of published material he demonstrates how captives statesmen and humanitarians understood honour in the long nineteenth century how they negotiated national differences and why parole d honneur continued to matter as a code of conduct into the First World War In so doing the book demonstrates the dichotomy between good codes of conduct prevalent in the eighteenth century and the practices of modern warfare perpetuated by a substantial amount of scholarship to be a false one Explaining the longevity of parole in this novel way raises important questions about the so called military Enlightenment the excesses of the world wars total war and the practices and codes of modern warfare **West African Soldiers in Britain's Colonial Army (1860-1960)** Timothy Stapleton, 2022 **West African Soldiers in Britain s Colonial Army 1860-1960** explores the history of Britain s West African colonial army based in Nigeria Ghana Sierra Leone and the Gambia placing it within a broader social context and emphasizing as far as possible the experience of the ordinary soldier The aim is not to describe the many battles and campaigns fought by this force but to look at the development of the West African colonial army as an institution over the course of about a century In pursuing this goal it is sometimes useful to employ the lens of military culture defined differently by scholars but essentially meaning a set of shared ideas and behaviors that inform daily life in the military While other locally recruited colonial militaries in Africa have attracted considerable attention from historians as they served as an essential pillar supporting European rule this book represents the first comprehensive scholarly study of Britain s West African army which was the largest such British led force south of the Sahara The study is based on extensive archival research conducted in nine archives located in five countries The Sniper Encyclopaedia John

Citizenship in Myanmar Ashley South,2018-05-24 Myanmar is going through a period of profound and contested transition The country has experienced widespread if sometimes uneven reforms including the start of a peace process between the government and Myanmar Army and some two dozen ethnic armed organizations which had long been fighting for greater autonomy from the militarized and Burman dominated state This book brings together chapters by Burmese and foreign experts and contributions from community and political leaders who discuss the meaning of citizenship in Myanmar Burma The book explores citizenship in relation to three broad categories issues of identity and conflict debates around concepts and practices of citizenship and inter and intra community issues including Buddhist Muslim relations This is the first volume to address these issues understanding and resolving which will be central to Myanmar s continued transition away from violence and authoritarianism **Foreign Fighters and the Extreme Right** Daniel Koehler,Miroslav Mareš,2025-10-29 Foreign Fighters and the Extreme Right is the first comprehensive academic study taking an in depth look

at white supremacists neo Nazis and other right wing extremists leaving their home countries to join armed groups fighting in civil wars and other armed conflicts The phenomenon known as Foreign Fighters has so far mainly been looked at in the context of Jihadist groups like ISIS recruiting fighters from all over the world for the Syrian and Iraqi conflicts Widely unnoticed the war ongoing in Ukraine has also resulted in a stream of foreign recruits but with a totally different ideology Right wing extremists from many countries have travelled to Ukraine in order to take part in the armed conflict against Russia Many have already returned to their countries of origin mostly unnoticed and unhindered by law enforcement agencies Looking more carefully one also can see a much longer history of right wing extremist foreign fighting in various conflicts for example the Yugoslavian war the Algerian conflict and in South America in the aftermath of the Vietnam war Bringing together world leading experts on right wing extremism and terrorism this collection of extreme right wing foreign fighting case studies since the end of the Second World War sheds light on a topic with significant importance which has yet remained mostly in the dark This book will be of interest to all those with an interest in small wars terrorism peace and conflict studies and right wing extremism

Managing Violent Religious Extremism in Fragile States Abosede Omowumi Babatunde, Mahfouz A. Adedimeji, Shittu Raji, Jacinta Mwende Maweu, John Mwangi Githigaro, 2021-09-30 This book examines how African states can build the institutional capacity to better prevent manage and cope with the new security challenges posed by violent religious extremism Despite the evidence that violent religious extremism is exacerbated by underlying social political economic and governance factors many states have focused their efforts only on reactive and coercive response strategies overlooking more long term measures This comparative study of Nigeria and Kenya reflects on why insurgency in Kenya has not escalated to full blown terrorism as it has with Boko Haram in Nigeria in spite of the similarities in relatively weak institutions of governance and colonial legacies across the two countries The book interrogates the policy and institutional responses that have been put in place in both countries to address security challenges and the extent of their efficacy in light of the intricate networks of politics governance corruption poverty and violence and the relative fragility of state institutions The authors highlight the areas of convergence and divergence in institutional capacities and recommend policies to enhance the capacity of institutions to manage violent religious extremism This book will be of interest to scholars of African Politics Security Peace Studies and Terrorism
