colourful postcards are the ships on which so many of our predecessors sailed as emigrants soldiers administrators or simply as tourists in days long past These cards which are now highly collectable show how steamships developed over the years but they are also a fine tribute to the artists who painted them This volume also includes a glossary of some 170 illustrators which forms an important reference section and advice on collecting *The Report: Abu Dhabi 2020* Oliver Cornock, Abu Dhabi is home to the world s sixth largest proven oil reserves and is working to achieve self sufficiency in natural gas It has been successfully pursuing diversification particularly in terms of manufacturing banking and ICT While the global Covid 19 pandemic and decline in international oil prices poses challenges for the emirate the fundamentals underpinning its economy remain strong
