Essentials of Cost Management

Catherine Stenzel, Joe Stenzel, 2003-01-24 An accessible practical survey of cost management methods, *Essentials of Cost Management* provides an unbiased survey and explanation of the cost management approaches and methods currently available for immediate application in day-to-day activities. Rather than advocate a particular method, this book assists readers in choosing the best approach or blend of cost management strategies to address specific business problems. The expert authors also discuss cutting-edge topics such as target costing, capacity management, and activity-based costing management.

Ethics and Auditing Tom Campbell, Keith A. Houghton, 2005-06-01 *Ethics and Auditing* examines ethical challenges exposed by recent accounting and auditing lapses through a study of interconnected moral, legal, and accounting issues. The book aims to engage a broad readership in the discussion of audit failure and reform. With its range of intellectual and practical perspectives, *Ethics and Auditing* provides critical analyses of auditor independence, conflicts of interest, self-regulation, the setting and enforcing of auditing standards, and ethics education.

Forensic Accounting and Fraud Examination

Mary-Jo Kranacher, Richard Riley, 2023-12-19 The gold standard in textbooks on forensic accounting, fraud detection, and deterrence, the newly revised third edition of *Forensic Accounting and Fraud Examination* features a team of renowned educators providing students and professionals alike with a comprehensive introduction to forensic accounting, fraud detection, and deterrence. Adhering to the model curriculum for education in fraud and forensic accounting funded by the US National Institute of Justice, this leading textbook offers real-world practicality supported by effective learning pedagogies and engaging case studies that bring technical concepts to life. Covering every key step of the investigative process, *Forensic Accounting and Fraud Examination* contains 32 integrated IDEA and Tableau software cases that introduce

students to the practical tools accounting professionals use to maximize auditing and analytic capabilities detect fraud and comply with documentation requirements Numerous case summaries The Fraudster s Perspective boxes and detailed discussions of a wide range of accounting issues provide students and practitioners with the tools they ll need to successfully investigate prosecute research and resolve forensic accounting issues and financial fraud The perfect resource for students of forensic accounting and fraud examination as well as practitioners in the field Forensic Accounting and Fraud Examination Third Edition will also prove invaluable for academics and researchers with an interest in the subject *Utility Corporations* United States.
