Spuds, Spam and Eating For Victory Katherine Knight, 2011-10-21 The battle to keep the nation fed during the Second World War was waged by an army of workers on the land and the resourcefulness of the housewives on the Kitchen Front The rationing of food clothing and other substances played a big part in making sure that everyone had a fair share of whatever was available In this fascinating book Katherine Knight looks at how experiences of rationing varied between rich and poor town and country and how ingenious cooks often made a meal from poor ingredients Charting the developments of the rationing programme

throughout the war and afterwards Spuds Spam and Eating for Victory documents the use of substitutions for luxury ingredients not available resulting in delicacies such as carrot jam and oatmeal sausages The introduction of Spam in America in the forties led to this canned spiced pork and ham becoming an iconic symbol of the worse period of shortage in the twentieth century Seventy years after the outbreak of the Second World War this book listens to some of the people who were young during the conflict share their memories both sad and funny of what it was like to eat for Victory

Food Gurus Stephen Vines, 2025-08-05 A fascinating overview of culinary history exploring the lives of twenty people who have impacted the way we dine An intriguing dip into the lives and obsessions of an eclectic round up of ancient and modern food heroes whose tastes affect ours Easy to digest great recipes and some surprises Lindsey Bareham The Times London

Centuries ago humankind thought of food as mere sustenance but over time it has evolved into something bigger Now single dishes and entire cuisines can become trendy cultural phenomena and media obsessions around the world Why How did we get here Throughout history there have been individuals who for better or worse have transformed how we eat and how we think about what we eat In Food Gurus author Stephen Vines delves into the culinary past and examines the careers and legacies of twenty of these influential people They are chefs writers entrepreneurs and other icons of the food world Vines discusses each guru's personal journey their character and passion and the social events and history that shaped their approach to food There are even recipes to better illustrate the type of cooking they produced or had someone make for them Among the gurus are the inventor of molecular gastronomy Ferran Adria one of Britain's most influential cookery writers Isabella Beeton the mother of American cooking and voice for sustainable agriculture Alice Waters and food industry innovator and entrepreneur Henry Heinz Other featured gurus include Robert Atkins James Beard Paul Bocuse Antonin Carême Julia Child Elizabeth David Raymond Ray Kroc Catherine de Medici Jamie Oliver Gordon Ramsay And more Whether you enjoy history eating or sociology Food Gurus has something to sate your appetite Vines's choice of gurus is canny amusing and well researched telling the reader not only about his heroes' virtues but also their clay feet Paul Levy co author of The Official Foodie Handbook

Food Through the Ages Anna Selby, 2009-04-21 The author of Victorian Christmas recounts some of the most fascinating and disgusting dishes our ancestors used to eat A must buy book for foodies Fiona Shoop author of How to Deal in Antiques With people's fascination for food increasing there are more cooking shows and magazines than ever Medieval banquets are sold out events and classic recipes and ingredients are back in fashion which is what this book sets out to explore Highlighting the advantages and disadvantages of each era from Roman times onwards Anna Selby recreates classic recipes from Epicurus's stuffed dormice to recipes that readers really will want to recreate She explores how trade and improved transportation increased foodstuffs available and reflects on how we're returning to the old fashioned notion of seasonal foods just like our ancestors had to do

We Eat What? Jonathan Deutsch, 2018-05-25 This entertaining and informative encyclopedia examines American regional foods using cuisine as an engaging lens through

which readers can deepen their study of American geography in addition to their understanding of America's collective cultures. Many of the foods we eat every day are unique to the regions of the United States in which we live. New Englanders enjoy coffee milk and whoopie pies while Mid Westerners indulge in deep dish pizza and Cincinnati chili. Some dishes popular in one region may even be unheard of in another region. This fascinating encyclopedia examines over 100 foods that are unique to the United States as well as dishes found only in specific American regions and individual states. Written by an established food scholar, *We Eat What A Cultural Encyclopedia of Bizarre and Strange Foods in the United States* covers unusual regional foods and dishes such as hoppin' Johns, hush puppies, shoofly pie and turducken. Readers will get the inside scoop on each food's origins and history, details on how each food is prepared and eaten, and insights into why and how each food is celebrated in American culture. In addition, readers can follow the recipes in the book's recipe appendix to test out some of the dishes for themselves. Appropriate for lay readers as well as high school students and undergraduates, this work is engagingly written and can be used to learn more about United States geography.

The ^AOxford Companion to American Food and Drink Andrew F. Smith, 2007-05-01 Building on the highly praised and deliciously browseable two volume compendium the Oxford Encyclopedia of Food and Drink in America this new work serves up everything you could ever want to know about American consumables and their impact on popular culture and the culinary world Within its pages for example we learn that Lifesavers candy owes its success to the canny marketing idea of placing the original flavor mint next to cash registers at bars Patrons who bought them to mask the smell of alcohol on their breath before heading home

soon found they were just as tasty sober and the company began producing other flavors Edited by Andrew Smith a writer and lecturer on culinary history the Companion serves up more than just trivia however including hundreds of entries on fast food celebrity chefs fish sandwiches regional and ethnic cuisine food science and historical food traditions **World Foods with Strange Names** Dr. Ian Grierson, 2022-07-22 If you have that travel bug thing in your system and that is combined with my being a compulsive foodie for most of my life then you have someone with an obsessive interest in International cuisines I knew many of our dishes in these Islands have weird names but the more I travelled each country I visited or neighbouring countries had a scattering of curiously or contradictory named dishes It became almost a hobby of mine to hunt them out to study their recipes their histories or at least explore how they got their strange names We may have in England foods like sweetbreads but in Italy there is Jump in the Mouth Iran has its Water Meat China Ants Climbing a Tree or in the US you might enjoy Poor Boy with Debris I have made a number of them at home eaten many more in restaurants or as street food but some I have never had only read about There are no recipes as such in my book only some words about strangely named foods from around the Globe I hope you find interesting *The Kitchen Front* Jennifer Ryan, 2021-02-23 From the bestselling author of *The Chilbury Ladies Choir* comes an unforgettable novel of a BBC sponsored wartime cooking competition and the four women who enter for a chance to better their lives NAMED ONE OF THE BEST BOOKS OF THE YEAR BY GOOD HOUSEKEEPING This story had me so hooked I literally couldn't put it down NPR Two years into World War II Britain is feeling her losses The Nazis have won battles the Blitz has destroyed cities and U boats have cut off the supply of food In an effort to help housewives with food rationing a BBC radio program called The Kitchen Front is holding a cooking contest and the grand prize is a job as the program's first ever female co host For four very different women winning the competition would present a crucial chance to change their lives For a young widow it's a chance to pay off her husband's debts and keep a roof over her children's heads For a kitchen maid it's a chance to leave servitude and find freedom For a lady of the manor it's a chance to escape her wealthy husband's increasingly hostile behavior And for a trained chef it's a chance to challenge the men at the top of her profession These four women are giving the competition their all even if that sometimes means bending the rules But with so much at stake will the contest that aims to bring the community together only serve to break it apart *Shropshire at War, 1939-45* Janet Johnstone, 2018-05-30 With the outbreak of the Second World War Shropshire authorities immediately implemented pre arranged plans to cope with the approaching conflict on the Home Front including the building of air raid shelters and pillboxes and the renovation of redundant camps and disused airfields Men not eligible for the services volunteered for the LDV later the Home Guard the AFS and the ARP Women were recruited for a variety of other posts with members of the WVS dealing with a massive influx of evacuees from Merseyside and Smethwick right from the start Shropshire's factories turned to armament production coal mines increased their output and farmers cultivated more acreage an extra 47 000 acres ploughed for food production in the first year of the war PoW Camps sprang up with prisoners

frequently seen being transported to work on local farms while uniformed servicemen and women from Britain the Commonwealth and America became familiar sights on the streets Using a variety of sources including newspapers and verbal testimonies the author paints a picture of the effect that six years of war had on those Salopians who when others marched away remained on the Home Front Their struggles acceptance of shortages hardships and determination not to give in are reflected throughout this book
