The Donkey Lane:

Cornish Folk Tales of Place: Traditional Stories from North and East Cornwall Anna Chorlton, 2019-06-03 Cornwall's rugged coast is etched with stories. Here you'll find tales of powerful mermaids, spiteful witches, crafty smugglers and woeful ghosts. Up on the moors are mischievous creatures, huge giants and elusive beasts. Let the piskeys lead you astray across the windy tors and sandy shorelines to experience wonder, miracles, secrets and magic. Bodmin Moor folklore writer Anna Chorlton retells tales of North and East Cornwall illustrated by local artists and members of the community. **Homeland** Karin Brynard, 2018-05-01 Captain Albertus Beeslaar has had enough of the Kalahari. He is about to hand in his resignation but before doing so he is sent into the heart of an ancient San community. An elder has died after being released from police custody and the San blame the police. The small town of Witdraai borders on the world famous Kgalagadi Transfrontier Park where the last of the Kalahari San eke out a living. A violent attack on a German tourist has unsettled the whole town, a case that is rubbing up Beeslaar's new colleague Colonel Koekoes. Mentoer the wrong way. She wants to turn her back on Witdraai and the bad memories the place holds for her. As the heat rises, all hell breaks loose: a policeman is murdered, deep-seated corruption is threatening a major land restitution plan for the San and a mysterious killer is prowling the red dunes. Amid all the controversy, Kytie Rooi, a cleaner at a luxury guesthouse in Upington and self-appointed protector of a strange street child, is fleeing into the deadly heat of the desert with her charge. In this world, places of safety are dangerously elusive. **Homeland** is the translation of the Number One Bestseller *Tuisland*. Karin Brynard's critically acclaimed and most ambitious novel to date. *When A Man Cries* Siphiwo Mahala, 2014-08-01 Themba Limba is a family man who is caught between his flourishing career as a teacher and municipal councillor in the township of Sekunjalo and his overriding sexual interests. Despite his attempts to maintain his status in the community, his actions eventually lead to his downfall. What follows is an account, sometimes tragic, occasionally humorous and always compelling, of Themba's efforts to regain his dignity and pride in the eyes of his family and community. *When a Man cries* is an uncompromising and engrossing novel about the challenges of manhood in contemporary South African society. It interrogates the dynamics of township life and the human and socio-economic realities of the most impoverished communities in post-apartheid South Africa. **Wonderful walks from Dog-friendly campsites throughout the UK** Anna Chelmicka, 2019-04-08 Stride out with your dog from a campsite. Follow nearby footpaths and byways to explore the surrounding countryside. This book will guide you on 45 different walks that allow you and your dog to enjoy the diversity of the British landscape and return to the campsite invigorated and exhilarated. *An Exegetical Summary of John 10-21* Ronald L Trail, 2025-04-04 Each volume in the Exegetical Summaries series works through the original text phrase by phrase. English equivalents are provided for all Hebrew and Greek words, making this an excellent reference for exegetes of all levels. Questions that occur to exegetes as they study the text are stated and then answered by summarizing the ways many scholars have interpreted the text. This information should help translators or

students in making their own exegetical decisions As a basis for discussion a semi literal translation of the text is given The first question to be answered is the meaning of key words in context Information from standard lexicons is given and then translations of the word are cited from a dozen major Bible versions and from commentaries that offer their own translations of the text Questions about the grammar and discourse structure of the original languages are answered by summarizing the views of many commentators When exegetical disagreements appear in the commentaries and versions the various interpretations are listed This book is not intended to replace the commentaries that are consulted Rather than being a stand alone commentary this book summarizes many important details of exegesis that should be considered in studying the biblical text

Modbury Tales Trevor Cree,2022-10-22 Modbury Tales incorporates twelve short stories one poem impressions of a summer in South Devon and photographs that replace a thousand words Over the years I have steadily built up a stock of short stories written in New Zealand and England that I have never widely shared nor previously published I believe that this is the right time to do so South Devon is an outstandingly beautiful area of England that encompasses Salcombe Dartmouth a rugged and dramatic coastline and the margins of Dartmoor The narrow lanes never cease to amaze because they are virtually impossible to navigate and yet hidden away people live on a permanent basis like the lost tribes of the Amazonian rainforest Elsewhere in the country the very wealthy buy large estates so that they can be far away from other people but here in Devon nobody could ever find you even if they tried including close friends As was the case with my previous Random Journeys New Zealand travelogue Modbury Tales is not intended to be a guide book It is simply the first and fleeting impressions recorded by an individual that hopefully might resonate with others visiting the same locations at a different time

Defending London Mike Osborne, 2011-11-30 For two thousand years London has been at the heart of Britain's development as a nation providing a focus for its political life The military element is now usually visible only through the pageantry which attends royal occasions but this masks a more serious underlying intent Frequently the target for both foreign invaders and domestic factions it has been required to defend itself against everything from seaborne raiders to aerial bombardment and the threat of nuclear war At the same time the direction of military affairs has been centred on London along with the military infrastructure of barracks depots magazines dockyards and munitions factories The evidence for much of this can be seen in the landscape from the mediaeval Tower of London and the underground nuclear citadels in the urban centre to the royal palaces moated sites airfields and anti invasion defences in the suburbs and the green belt This book describes the various elements of London's military heritage and places them in their historical and social context From the castles and strong houses of the mediaeval and Tudor monarchs and statesmen to the pseudo fortresses of the Victorian militia and rifle volunteers the airfields of the anti Zeppelin fighters of the Royal Flying Corps and the Battle of Britain bases of the RAF to the pillboxes of the defences against invasion in 1940 and the anti nuclear defences of the Cold War and beyond
