Find Your True Self Through Your Fantasies and Dreams Olavi Moilanen, 2009 *Through the Reading Glass* Suellen Diaconoff, 2012-02-01 2005 CHOICE Outstanding Academic Title *Through the Reading Glass* explores the practices and protocols that surrounded women's reading in eighteenth century France Looking at texts as various as fairy tales memoirs

historical romances short stories love letters novels and the pages of the new female periodical press Suellen Diaconoff shows how a reading culture one in which books sex and acts of reading were richly and evocatively intertwined was constructed for and by women Diaconoff proposes that the underlying discourse of virtue found in women's work was both an empowering strategy intended to create new kinds of responsible and not merely responsive readers and an integral part of the conviction that domestic reading does not have to be trivial

The Case of the Sexy Jewess Hannah Schwadron, 2018
Amidst the growing forums of kinky Jews orthodox drag queens and Jewish geisha girls we find today's sexy Jewess in a host of reflexive plays with sexed up self display A social phantasm with real legs she moves boldly between neo burlesque striptease comedy television ballet movies and progressive porn to construct the 21st Century Jewish American woman through charisma and comic craft in your face antics and offensive charm Her image redresses longstanding stereotypes of the hag the Jewish mother and Jewish American princess that have demeaned the Jewish woman as overly demanding inappropriate and unattractive across the 20th century even as Jews assimilated into the American mainstream But why does sexy work to update tropes of the Jewish woman And how does sex link to humor in order for this update to work Entangling questions of sexiness to race gender and class The Case of the Sexy Jewess frames an embodied joke work genre that is most often but not always meant to be funny In a contemporary period after the thrusts of assimilation and women's liberation movements performances usher in new versions of old scripts with ranging consequences At the core is the recuperative performance of identity through impersonation and the question of its radical or conservative potential Appropriating re appropriating and mis appropriating identity material within and beyond their midst Sexy Jewess artists play up the failed logic of representation by mocking identity categories altogether They act as comic chameleons morphing between margin and center in countless number of charged caricatures Embodying ethnic and gender positions as always already on the edge while ever more in the middle contemporary Jewish female performers extend a comic tradition in new contexts mobilizing progressive discourses from positions of newfound race and gender privilege

Braving the Erotic Field in the Psychoanalytic Treatment of Children and Adolescents Mary Brady, 2022-03-17
Braving the Erotic Field in the Psychoanalytic Treatment of Adolescents and Children is a groundbreaking collection of chapters by an international group of analytic authors The book addresses the general lack of psychoanalytic writing on working with erotic feelings in the consulting room when treating children and adolescents This lack is doubly odd given Freud's emphasis on childhood sexuality as well as the intensities of the adolescent body mind This book takes the view that the subtle interchange of feelings dreams narratives and images that arise when erotic feelings are in the fore is better conceptualized as an erotic field than with the binary of transference countertransference In contemporary psychoanalysis the idea that transference love offers the possibility of knowing the other in the deepest possible way is supplanting an attitude of suspicion Clinical work with small children to late adolescents will be offered including gay and gender fluid adolescents This book makes a

decisive contribution to assist clinicians to brave the erotic field with children and adolescents
