The Duchess Of Windsor A Memoir:

The Duchess of Windsor Diana Mitford (Lady Mosley),2019-07 **Wallis** Wallis Warfield Duchess of Windsor,2011

Wallis Katherine Auspitz,Wallis Warfield Windsor, Duc,2011-09-29 A social climbing divorcee Wallis Simpson is remembered as a snob and voluptuary who came close to destroying the British monarchy But could she have been the pawn of Allied statesmen determined to remove a Nazi sympathiser from the throne This memoir was found in her former Paris home **The Heart Has Its Reasons** Wallis Simpson,1956 [The Heart Has Its Reasons](#) Wallis Warfield Duchess of Windsor,1958 **The Heart Has Its Reasons** Duchess of WINDSOR,1983 **The Duchess of Windsor** Diana Mosley,Jack Le Vien,1981 **The Heart Has Its Reasons** Wallis Warfield Duchess of Windsor,1974 **Once a King** Jane Marguerite Tippet,2023-10-26 ASTONISHING THE DAILY MAIL STRIKING THE SUNDAY TIMES RADICAL TATLER Described by The Telegraph as Edward s truth Once a King is the never before seen and unfiltered story of King Edward VIII the original royal renegade who abdicated his throne and left the royal family to pursue his own destiny Fifteen years after having abdicated the throne to marry the woman he loved Wallis Simpson King Edward VIII now the Duke of Windsor published his memoirs But whilst preparing the manuscript for his published and mostly ghostwritten book which unlike Prince Harry s autobiography Spare largely avoided controversy the Duke also produced a private manuscript for posterity This was written in his own words and with an uninhibited frankness Once a King The Lost Memoir of Edward VIII reproduces this uncrowned King s previously unseen writing including much that he could or would not write for publication in 1951 Jane Marguerite Tippet weaves together Edward s writing alongside newly uncovered interviews with the Duke and Duchess diary entries from ghostwriter Charles Murphy and other sources Together this forms an extraordinary new portrait of one of the most famous characters in modern royal history and his recollections and innermost feelings particularly around the abdication of 1936 *The Duchess of Windsor* Lady Diana Mosley,1981 **The Duchess of Windsor** Diana Mosely,Jack Le Vien,1984 [The Heart Has Its Reasons, by the Duchess of Windsor the Memoirs of the Duchess of Windsor](#) Bessie wallis Windsor (duchess of), [The Memoirs of the Duchess of Windsor](#) Bessie Wallis Windsor,1958 **The War Memoir of (HRH) Wallis, Duchess of Windsor** Katherine Auspitz,2010 **The Duchess of Windsor** Michael Bloch,2012-05-28 Royal scandal is nothing new In 1936 the royal family was rocked by events that threatened its very existence Edward VIII King of the United Kingdom and the Dominions of the British Empire Emperor of India gave up his throne A constitutional crisis ensued The reason He intended to marry Wallis Simpson a divorcee In *The Duchess of Windsor* Michael Bloch tells her fascinating story This is the definitive biography of the woman Edward prized above his crown Drawing on first hand access to their intimate correspondence it paints a picture of Simpson which was often startlingly at variance with the official story as reported at the time It brings vividly to life the qualities which captivated her royal suitor and on publication caused outrage and surprise by uncovering the great mysteries of her life **Wallis and Edward,**

Letters:1931-37 Michael Bloch,2012-05-28 When Wallis Edward was first published in 1986 weeks after the death of the Duchess of Windsor it caused a sensation this was the story the world had been waiting for For the first time the story of Wallis Simpson and King Edward VIII was revealed in their own words Michael Bloch s edition of their intimate correspondence takes us from the moment they met in 1931 up to their marriage in 1937 and includes Wallis Simpson s diary of their affair in form of her weekly letters to her aunt in Washington It sheds a wealth of fascinating new light on the greatest love story of the century and the mysteries of King Edward s abdication **The Windsors I Knew** Jean Hardcastle-Taylor,2018-05-16 This memoir of an American private secretary to the Duke and Duchess of Windsor provides a vivid first hand account of their day to day lives during their time as Royal Governor and First Lady of the Bahamas during World War II It is not based upon the second hand accounts of others published years after the deaths of the famous and controversial royal couple the same couple which is portrayed as unsupportive of British war efforts in the Netflix Series The Crown Jean D Hardcastle Taylor nee Drewes actually lived with the former British King and his American wife in Government House Nassau from 1940 to mid 1944 She observed her royal employers with a keen eye and gives witness to their abiding love and affection for one another as they worked as a team W E to improve the living conditions of the Bahamian people and lead numerous projects in support of British war efforts The author produced her original typescript about 1965 in her home in Santa Cruz County California while shepherding her four children through high school This was just over 20 years after she had left the employ of the Windsors in Nassau and during a period which saw the publication of many second hand accounts of the royal couple s life together Most of these newspaper and magazine articles and books had a loose relationship with actual facts or truth As she typed away over a period of several months she was often heard saying I am going to set the record straight about what the Duke and Duchess of Windsor were really like In 1968 at her eldest son s graduation from college she asked him for a bit of help in getting her work published Michael said sure Mom but the Vietnam War was being waged and a long naval career got in the way of keeping this promise As fate would have it Michael s wife Gloria spotted an article in the San Diego newspaper in 2009 about a large conference of The Duke and Duchess of Windsor Historical Society in nearby Coronado CA They gathered up Jean s typescript and Bahamas era Windsor memorabilia and literally crashed the event Michael made two presentations to the large group over a weekend There they met the conference s keynote speaker the eminent English royal historian and author Hugo Vickers who agreed to edit the work once Michael integrated much of the author s fascinating memorabilia The work was completed in 2016 with Hugo s expert help leading to publication of the first edition Hugo added the first sentence to the first chapter which reads A girl never knows how her life can suddenly change As you can read this was certainly true Jean Drewes seemed destined for a job only dreamed of by most executive secretaries in 1940 s New York Tipped off about a prestigious position outside the country she sought and landed her dream job working for the Duke and Duchess of Windsor What would it be like to work for the former English King who

gave up his throne to marry a twice divorced American socialite What was the Duke really like What qualities did the Duchess possess to cause him to give up the Empire to marry her What went on within Government House as they managed their daily life and the social and economic challenges of a small tropical colony of the British Empire As their private secretary Jean Drewes and the Duchess planned and coordinated the couple s official and social responsibilities She traveled with them throughout the Bahamas and their several visits to America and Canada She was responsible for processing all communications between the Duke in Nassau and his government and family in Britain during the war Hugo also wrote the introduction to the book wheree he writes Here is a vivid first hand of their day to day lives As such it has value Jean Drewes has observed her royal employers with a keen eye I am sure it will be read with great interest in many corners of the world

Heart Has It's Reasons: The Memoirs of the Duchess of Windsor Wallis Windsor,1921 **The Untold Story of Queen Elizabeth, Queen Mother** Lady Colin Campbell,2016-08-18 Packed with stunning revelations this is the inside story of The Queen Mother from the New York Times bestselling author who first revealed the truth about Princess Diana Queen Elizabeth The Queen Mother has been called the most successful queen since Cleopatra Her personality was so captivating that even her arch enemy Wallis Simpson wrote about her legendary charm Portrayed as a selfless partner to the King in the Oscar winning movie The King s Speech The Queen Mother is most often remembered from her later years as the smiling granny with the pastel hats When she died in 2002 just short of her 102nd birthday she was praised for a long life well lived But there was another side to her story For the first time Lady Colin Campbell shows us that the untold life of the Queen Mother is far more fascinating and moving than the official version that has been peddled ever since she became royal in 1923 With unparalleled sources including members of the Royal Family aristocrats and friends and relatives of Elizabeth herself this mesmerizing account takes us inside the real and sometimes astonishing world of the royal family A King's Story Edward Duke of Windsor,1953
