Half Empty Glass To The Rising Sun K.P. DeLaney, 2009-05-09

The Novel after Film Jonathan Foltz, 2017-11-03 According to prevailing media histories film long ago ought to have rendered the novel obsolete The irony of this story is that the death of the novel at the hands of film has for a long time now been a pervasive trope of the novel's continued reinvention The Novel After Film offers a substantial reassessment of this paradoxical new condition of novelistic practice in which writers have reimagined the novel in the shadow of film In the cinema a generation of modernist writers found a medium whose bad form was also laced with the glamor of the popular and whose unfamiliar visual language seemed to harbor a future for innovative writing after modernism How did the cinema with its crude continuities crowded theaters stock plots and ghostly images seem to flout conventional ideas of narrative form What new

literacies of experience and representation did film seem to promise As The Novel After Film demonstrates this fascination with film was played out against the backdrop of a growing discourse about the novel's respectability As the modern novel was increasingly venerated as a genre of aesthetic refinement authors such as Virginia Woolf H D Henry Green and Aldous Huxley turned their attention to the cinema in search of alternative aesthetic histories For authors working in modernism's atmosphere of heightened formal sophistication film's bad form took on a perverse attraction In this way film played a key role in helping writers negotiate a transforming public culture which seemed to be leaving the novel behind

The Collected Novels Volume Five Graham Greene,2018-11-06 A quartet of compelling novels from the British author hailed as one of the most significant novelists of his time Newsweek From a crisis of faith to a leap of faith from betrayal and corruption to the hope of redemption the gripping novels in this collection reveal a storyteller of genius Evelyn Waugh A Burnt Out Case Querry a world renowned architect noted for his magnificent churches is suffering a crisis of faith that s led him to what seems like the end of the world a colony of lepers in the Congo Here under the guidance of Doctor Colin a fellow atheist Querry s consideration of the sick could be something close to a cure for his spiritual malaise So too it first seems could a local plantation owner s lonely and abused wife Querry s unlikely confessor But when Querry reluctantly agrees to build a hospital and his good intentions brand him a modern day saint all the intrusive and dangerous piety of civilization returns And this time it could be inescapable Greene s greatest novel Time The Captain and the Enemy On his twelfth birthday Victor Baxter is spirited away

from boarding school by a stranger known only as the Captain who claims to have won him from the boy's diabolical father. Settling into a new life in a dire London flat, Victor becomes the willing ward of his mysterious abductor and the tender and childless Liza. He quickly adapts to the only family he's ever known despite the Captain's long disappearances on suspicious adventures and a guarded curiosity about this peculiar but devoted couple. Then one day in pursuit of answers and perhaps an adventure of his own, Victor responds to an entreaty from the Captain to come to Panama. What follows in this world of dangerous imposture is absolutely revelatory. A tremendous yarn.

Paul Theroux: *The Comedians*. Haiti under the rule of Papa Doc and his menacing paramilitary the Tontons Macoute has long been abandoned by tourists. Now it is home to corrupt capitalists, foreign ambassadors and their lonely wives, and a small group of enterprising strangers arriving in Port au Prince: a well-meaning American couple claiming to bring vegetarianism to the natives, a former fighter in World War II, Burma, and current confidence man, and an English hotelier returning home to the Trianon, an unsalable shell of an establishment on the hills above the capital. Each is embroiled in a charade. But when they're unsuspectingly bound together in this nightmare republic of squalid poverty, torrid love affairs, and impending violence, their masks will be stripped away. The most interesting novel of Greene's career.

The Man Within. In Greene's debut novel, Francis Andrews is a reluctant smuggler living in the shadow of his brutish father's legacy. To exorcise the ghosts of the man he loathes, Andrews betrays his colleagues to authorities and takes flight across the downs. He stumbles upon the isolated cottage of a beguiling stranger named Elizabeth, an empathetic young woman who is just as lonely, every bit the outsider as he, and reconciling a troubling past of her own. On the run from those he exposed, Andrews believes he's found refuge and salvation. But when Elizabeth encourages him to return to the courts of Lewes and give evidence against his accomplices, the treacherous and deadly repercussions may be beyond their control. Strikingly original, a perfect adventure.
