B. Thieme, 1961 The Word of God By M Weiss on March 28 2013 People need to understand that ministries like this one and others that have branched off these teachings are not like the legalistic ministries that are all about money Ask yourself this God made His word available to all by charging a fee some people in poor financial conditions can't afford the Word Yea that's God's plan right NOT There are many ministries out there who teach the Word like this one Many of the Pastor Teachers have studied under this ministry ie gbible.org
