and who are now hoping for one more gasp of glory with this nostalgia exhibition The Rock of Ages tour has proved itself to be anything but a love fest plenty of the bandmates have been feuding for forty years and perhaps unsurprisingly drugs and bad behavior have created health wellness and legal problems for the musicians and managers Plus there have been two near fatal accidents that might have been attempted murders But they re not what Irwin Dressler is concerned about It s that someone one of his own colleagues is using the tour as a front to steal Dressler s money And that simply cannot be allowed Now the tour has pulled into LA and Junior has one weekend to figure out who s to blame a weekend that begins with his tires being slashed threatening notes left on his car and a theatrical backdrop falling on a drummer during the truly terrible first set of the first concert To make things worse Junior is saddled for the weekend with his teenage daughter Rina who lately has been much much too interested in how her father earns his living Can Junior recover Dressler s money prevent a murder talk his daughter out of pursuing a life of crime and somehow survive all that bad music *Crashed* Timothy

The thieves are not comfortable with the teenage sleuth who's asking too many questions. And when they make some serious threats, Nancy, Bess, and George quickly find themselves in dangerous territory. Can Nancy discover the thieves' identity and take home the trophy? When Sammy finds out that her mother has changed her name, dyed her hair, and shaved ten years off her age, she knows it's time for Lady Lana to get reacquainted with reality. Sammy hops a bus to Hollywood and finds her mother in deeper trouble than she imagined. Lana's phony persona is crumbling just as she is being considered for the part of a lifetime. So when one of Lana's competitors for the big role is found dead in the room next door, Sammy can't help wondering: Is her mother the next likely victim or the prime suspect? The Sammy Keyes mysteries are fast-paced, funny, thoroughly modern, and true whodunits. Each mystery is exciting and dramatic, but it's the drama in Sammy's personal life that keeps readers coming back to see what happens next with her love interest, Casey, her soap star mother, and her mysterious father.
