

## THE FAULT IN OUR STARS - JOHN GREEN

313 pages

Love, excitement, sadness and happiness; there are a lot of emotions in this book. Hazel, the main character, feels that too. Hazel has been battling with thyroid cancer since the age of 13, that's why she always carries an oxygen tank with her. Hazel's parents think that Hazel is depressed, because she spends a lot of time in her bedroom, reading the same book over and over. Hazel's parents think it's a good idea, to go to a support group. That is where she meets Augustus Waters, a boy who has beaten cancer and is trying to make the best of life. Augustus has lost a leg because of the cancer. Hazel and Augustus become friends. They secretly like each other, but they want to take things slow in their relationship.

Hazel lends her favourite book, *An Imperial Affliction*, to Augustus. They both love the book and would really like to go to Amsterdam, where the author of the book lives. Augustus uses his wish from 'The Genie Foundation', to go to Peter van Houten (the author). The meeting with the writer was different than expected because he didn't give the answers Hazel and Augustus were looking for. Despite the disappointed meeting, Hazel and Augustus had a great time in Amsterdam. At the end of the trip, Augustus tells Hazel that the cancer has turned back. They both know, he is going to die very soon. Augustus wanted to be at his own funeral, so he organised one for Hazel and his best friend, Isaac. He dies eight days later.

Hazel Grace Lancaster is a 16-year-old girl. She lives at her parents' house. Hazel is a quiet girl, who hasn't got lots of friends. Despite Hazel has cancer, she doesn't like to have much attention or compassion. Hazel doesn't care that much about her looks.

Augustus Waters is an 18-year-old boy. He has brown hair and blue eyes. When he was little, he used to be very good at basketball. He fears oblivion but is very confident. Augustus has got a favourite book, called 'The Price of Dawn'.

Isaac has cancer in his eye, so the doctors removed his eye. Later in the story, the doctors removed his other eye, so he became blind. He was in a relationship with Monica, but they broke up. Isaac likes to play games, most of the times with Augustus.

The title 'the fault in our stars' comes from a quote of Shakespeare, where Julius Caesar says:

'The fault, dear Brutus, is not in our stars, but in ourselves, that we are underlings.'
