The Final Curtain Priscilla Masters, 2013-08-12 A particularly intriguing mystery featuring a female police detective and a former child star with secrets to hide Booklist Just back from her honeymoon Detective Inspector Joanna Piercy heads back to work in Staffordshire England and gets handed a case she can do without nuisance calls from an old lady ringing the police incessantly to report seemingly trivial incidents The woman in question is Timony Weeks a child star of the sixties in the once popular soap Butterfield Farm who now lives in an isolated farmhouse It seems unlikely that someone is really moving her nightdress around or leaving a dead mouse in her bread box Joanna is sure she's putting on an act and wasting police time But as things escalate something doesn't feel right and as Joanna digs into Timony's past she finds that the aging actress may be in danger after all A solid police procedural especially likely to appeal to 1960s nostalgia buffs Kirkus Reviews
