The Four Bloggers Of The Apocalypse English Edition:

Deeds of Destiny Michael Casher, 2006-01-25 Michael Casher's fifth novel ventures into the unseen realm of manipulative beings who help shape Earth's history for an unnamed higher power. When Harlan Trotter, an unemployed factory worker, is charged with the murder of his former best friend, a crime he would never commit, he seriously doubts if life is always what you make of it. His suspicions are aroused when things quickly go from bad to worse without any effort on his part, and his eyes are soon opened to the fact that a lot of his bad luck is someone else's doing. But whose? In the ensuing battle between the guardians of fate and the human will, he discovers exactly who and what are the true masters of human destiny. With the help of Belle Summer, the beautiful but eccentric Deputy Coroner who believes in his innocence, Trotter's life is transformed from that of prey into predator as he and Belle search together for answers and hunt down the elusive denizens of Earth's invisible underworld.

Little Green Man from Mars Michael Casher, 2007-01-26 Michael Casher's sixth novel is a sci-fi treatment of the Antichrist and Rapture prophecies. Dwight Tinker is a humble unemployed man whose luck has run out. When his best friend offers him a menial job, suddenly there are others who need Dwight for a more important job: to give the world a sign and save planet Earth in the biblical Latter Days. Dwight must soon decide if he is the right man for the job and if the new woman in his life is really from the afterlife. He must also search his own conscience for a reason to fight or to help the mythical Illuminati who have a desperate stake in the prophesied Rapture. As Dwight Tinker endures the abrasive personality of the alien man sent to Earth to protect him during his mission, the eyes of Providence are watching and judging. In this deadly end-of-days struggle, the stakes are nothing less than the destiny of those who will be rescued from a troubled Earth and those who will be left behind.

Age of Godpunk James Lovegrove, 2013-08-27 **WHOM THE GODS WOULD DESTROY** AGE OF ANANSI Dion Yeboah leads an orderly, disciplined life until the day the spider appears. What looks like an ordinary arachnid turns out to be Anansi, the trickster god of African legend, and its arrival throws Dion's existence into chaos. He is summoned to America to take part in a contest of trickery. It's a life-or-death battle of wits, and in the end, only one person will be left standing.

AGE OF SATAN 1968 Guy Lucas is sent to an old-fashioned boarding school where he is bullied and abused. A fellow student persuades him to perform a black mass and plead with Satan to intervene with horrific consequences. For the next ten years, the shadow of Satan is cast across his life; he flees, but tragedy follows him. Eventually, he must confront the Devil and learn the truth about himself.

AGE OF GAIA Billionaire Barnaby Pollard, energy magnate, has the world at his feet. The planet's fossil fuel resources are his to exploit, as are the size-zero girlfriends he loves and leaves in endless succession. Until he meets Lydia, a beautiful and opinionated eco-journalist. She's the very opposite of the kind of woman he normally dates: large and outspoken, with a firm belief that Mother Nature is not to be tampered with.

Focal Points in Negotiation Rudolf Schuessler, Jan-Willem van der Rijt, 2019-12-05 *Focal Points in Negotiation* is the first work of its kind to analyze the use of focal points beyond the controlled setting of the laboratory or the stylized context of

mathematical game theory in the real world of negotiation It demonstrates that there are many more ways focal points influence real life situations than the specific predetermined roles ascribed to them by game theory and rational choice The book establishes this by identifying the numerous different often decisive modes in which focal points function in the various phases of complex negotiations In doing so it also demonstrates the necessity of a thorough understanding of focal points for mediators negotiators and others A scholarly work in nature Focal Points in Negotiation is also suitable for use in the classroom and accessible for a multidisciplinary audience

partners to infiltration security breaches or additional counterterrorism attention Alliances between such organizations which are suspicious and secretive by nature must also overcome significant barriers to trust the exposure to risk must be balanced by the promise of increased lethality resiliency and longevity In Why Terrorist Groups Form International Alliances Tricia Bacon argues that although it may seem natural for terrorist groups to ally groups actually face substantial hurdles when attempting to ally and when alliances do form they are not evenly distributed across pairs Instead she demonstrates that when terrorist groups seek allies to obtain new skills knowledge or capacities for resource acquisition and mobilization only a few groups have the ability to provide needed training safe haven infrastructure or cachet Consequently these select few emerge as preferable partners and become hubs around which other groups cluster According to Bacon shared enemies and common ideologies do not cause alliances to form but create affinity to bind partners and guide partner selection Bacon examines partnerships formed by the Popular Front for the Liberation of Palestine Al Qaida and Egyptian jihadist groups among others in a series of case studies spanning the dawn of international terrorism in the 1960s to the present Why Terrorist Groups Form International Alliances advances our understanding of the motivations of terrorist alliances and offers insights useful to counterterrorism efforts to disrupt these dangerous relationships **Feminists, Feminisms, and Advertising**
