The Last Secret of Fatima Tarcisio Cardinal Bertone,2013 With an introduction by Pope Benedict XVI and including information previously suppressed the Vatican s Secretary of State Cardinal Bertone definitively reveals and explains one of the most controversial events in twentieth century Catholicism the 1917 apparition of the Virgin Mary at Fatima During World War I three Portuguese children received a vision in which Mary the Mother of Jesus foretold great global turmoil The first part of their vision warnings about World War II communism and the spread of atheism were widely publicized but Vatican officials were hesitant to reveal the vision s concluding images thus creating the secret of Fatima Speculation about this secret gripped many Catholics and the aura of intrigue surrounding Fatima grew when the Church hierarchy barred the last surviving visionary from speaking publicly In THE LAST SECRET OF FATIMA Cardinal Bertone the Vatican equivalent of prime minister and a top advisor to Pope Benedict breaks the Vatican s official silence on the last secret Rather than Armageddon he claims the final prophecy envisaged the 1981 assassination attempt on Pope John Paul II Bertone argues the apparition at Fatima was a call to renewal for the Church and he was assigned the task of promulgating this message by the Pope

The Hidden Third Secret of Fatima Manfred Kolb,2025-07-02 The third secret of Fatima was to be published by the Vatican in 1960 according to the visionary Lucia However this was not done It was not until 2000 that it was announced in Rome in the form of a symbolic vision the interpretation of which was also supplied Experts immediately objected that the secret had only been partially revealed and that there must still be an unpublished text Allegedly the Vatican s claim that the third secret had been fully revealed has been confirmed by Sister Lucia The consecration of Russia would also have been valid in 1984 The latter must be contradicted today in view of the world situation Was there a double involved And if the true third secret has not been revealed what is its probable content Did it warn in time against an ill fated Council Were the Second Vatican Council and the liturgical reform that followed it the cause of the decline in Christian life Is scientific theology undermining faith Where is the church heading Who will be the last pope in history Such questions are examined in detail in this book on the basis of a wealth of information Topics related to the Fatima message in Church theology Faith and politics are also dealt with This book contains the events and messages and how they are dealt with in the Church and the

world in chronological order It presents facts events considerations and remarks that enable conclusions to be drawn on the Fatima issue and can contribute to orientation in these confusing times

Dark Mysteries of The Vatican H. Paul Jeffers, 2010-02-01 What The Vatican Doesn't Want You To Know The lies The conspiracies The cover ups The truth Deep behind the walls of the world's holiest site is a dense network of lies corruption and conspiracies fueling the Vatican's vast and unchecked influence on world events From the Holy Orders that defied the commandment Thou Shalt Not Kill to the scandals splashed across international headlines the Vatican is no longer shrouded in mystery legend and secrecy It's all here The shocking and unsolved murder of the corrupt Vatican financier known as God's Banker Real life exorcism and shocking rumors of Satanism The Vatican's startling views on extraterrestrials and end of world prophecies The Vatican's hidden ties to Nazi Germany and the Mafia The bizarre rituals of the ultraconservative Opus Dei The Vatican's ruthless 500 year war with the Freemasons Pope Pius XII's anti Semitic
