The Friendship Promise:

The Friendship Promise Umm Zakiyyah, 2016-02-04 Maryam is the daughter of strict Pakistani American parents who do not want her around American Muslims. However, they decide to bend their rules to help a divorced American convert to Islam whose free-spirited daughter Samira is in need of Muslim friends. But when Samira convinces Maryam to disobey their parents, Maryam is worried they may have gone too far. Originally published as *A Friendship Promise* by Ruby Moore Umm Zakiyyah

The Friendship Promise Rebekah Phillips, 2019-08-04 Seeing a mouse might not seem unusual to you, but in the town of Debonshire it's unheard of. Legend has it that when mice first came to the town many years ago, every last one was chased away by dogs who feared the tiny creatures. So imagine Farlee the Airedale terrier's surprise when a fall off his bike puts him face to face with a little mouse named Cornelius. What follows is a tale about finding friendship in unexpected places, complete with this Feather Troop Friendship Promise for friends big and small: 1 Friends love at all times 2 Friends help each other be the best that they can be 3 Friends have the courage to stand up for what's right 4 Friends accept you for you 5 Friends have FUN

Promises and Agreements Hanoch Sheinman, 2011-01-24 Promises and agreements are everywhere; we make, receive, keep, and break them on a daily basis. The quest to understand these social practices is integral to understanding ourselves as social creatures. The study of promises and agreements is enjoying a renaissance in many areas of social philosophy, including philosophy of language, action theory, normative ethics, value theory, and legal philosophy. This volume is the first collection of philosophical papers on promises and agreements, bringing together sixteen original, self-standing contributions to the philosophical literature. The contributors highlight some of the more interesting aspects of the ubiquitous social phenomena of promises and agreements from different philosophical perspectives. *The Friend*, 1879

Sex, Love, and Friendship Adrienne Leigh McEvoy, 2011-08 The joke is that all the prostitutes go on vacation when the philosophers come to town. The reason that the other conventioners do it, philosophers just talk about it. And talk about sex and love and friendship is what the contributors to this volume do. They talk and argue, split hairs and clarify, all trying to advance our understanding of this most interesting practice of the human species. Some of the best minds on three continents from four nations and eighteen of the United States discuss such topics as adultery, commitment, cross-dressing, gender politics, date rape, family, friendship, friends as lovers, gayness, love, marital pluralism, marriage, prostitution, religiously motivated anti-queer sentiments, same-sex marriage, seduction, and self-respect. Rather than preach, participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species. The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed. The work is accessible to readers from high school through college and beyond. **Conceptualizing**

Friendship in Time and Place Carla Risseuw, Marlein van Raalte, 2017-07-31 The concept of friendship is more easily valued than it is described. This volume brings together reflections on its meaning and practice in a variety of social and

cultural settings in history and in the present time focusing on Asia and the Western Euro American world The extension of the group in which friendship is recognized and degrees of intimacy whether or not involving an erotic dimension and genuine appreciation may vary widely Friendship may simply include kinship bonds solidarity being one of its more general characteristics In various contexts of travelling migration and a dearth of offspring friendship may take over roles of kinship also in terms of care

Henry James and the Promise of Fiction Stuart Burrows,2023-11 What is the relation between the novel and ethical thought Henry James and the Promise of Fiction argues that the answer to this question lies not in the content of a work of fiction but in its form Stuart Burrows explores the relationship between James s ethical vision and his densely metaphorical style his experiments with narrative time and his radical reimagining of perspective Each chapter takes as its starting point a different aspect of an issue at the heart of moral philosophy the act of promising Engaging with a range of moral philosophers and literary theorists most notably David Hume Friedrich Nietzsche Paul Ricoeur and Jacques Derrida Henry James and the Promise of Fiction argues that James s formal experimentation represents a significant contribution to ethical thought in its own right

Moral Maturity , Friend Beloved Laura Jean Cameron,2021-04-15 Friend Beloved invites readers to enter the imaginative worlds of two ambitious young scientists Marie Carmichael Stopes the paleobotanist who found international fame as a birth control advocate and feminist icon and Charles Gordon Hewitt the housefly expert who became one of Canada s trailblazers of nature conservation before he died in the Spanish flu pandemic Ecology was a new science that connected Stopes and Hewitt the word coming from oikos the Greek term for home Reproducing a small but significant cache of letters written before the First World War the book unearths their respective versions of home and shows how these mattered in both domestic affairs and scientific passions Their co authored 1909 scientific article which Hewitt called the one little sin is reprinted as an appendix along with a chapter of Stopes s unpublished novel A Man s Mate entitled Friends Laura Jean Cameron provides a lively thought provoking introduction Her epilogue considers why Stopes and Hewitt s friendship was largely forgotten and how its recollection reveals early ecology s revolutionary promise but also its colonial and eugenic entanglements Weaving accounts not only of the professional worlds the correspondents traversed in Britain Japan and Canada but also of intensely personal relationships involved in the changing nature of their field Friend Beloved connects careers and emotional trajectories at a key moment in the women s suffrage movement and the making of modern science

Friendship Fictions Michael A. Kaplan,2010-03-23 Friendship serves as a metaphor for citizenship and mirrors the individual's participation in civic life Friendship Fictions unravels key implications of this metaphor and demonstrates how it can transform liberal culture into a more just and democratic way of life A criticism often leveled at liberal democratic culture is its emphasis on the individual over community and private life over civic participation However liberal democratic culture has a more complicated relationship to notions of citizenship As Michael Kaplan shows citizenship comprises a major theme of popular entertainment especially Hollywood film and often takes the form of friendship narratives and this is no accident Examining the representations of citizenship as friendship in four Hollywood films The Big Chill Thelma Louise Lost in Translation and Smoke Kaplan argues that critics have misunderstood some of liberal democracy's most significant features its resilience its capacity for self revision and the cultural resonance of its model of citizenship For Kaplan friendship with its dynamic pacts fluid alliances and contingent communities is one arena in which preconceptions about individual participation in civic life are contested and complicated Friendship serves as a metaphor for citizenship and mirrors the individual's participation in civic life Friendship Fictions unravels key implications of this metaphor and demonstrates how it can transform liberal culture into a more just and democratic way of life

In the Name of Friendship: Deguy, Derrida and Salut,2017-11-20 In the Name of Friendship Deguy Derrida and Salut centres on the relationship between poet Michel Deguy and philosopher Jacques Derrida Translations of two essays Of Contemporaneity by Deguy and How to Name by Derrida allow Christopher Elson and Garry Sherbert to develop the implications of this singular intellectual friendship In these thinkers efforts to reinvent secular forms of the sacred such as the singularity of the name and especially poetic naming Deguy by adopting a Derridean programme of the impossible and Derrida by developing Deguy's ethics of naming through the word salut situate themselves at the forefront of contemporary debates over politics and religion alongside figures like Alain
