

A black and white photograph of a newspaper with a cup of coffee and a smartphone. The newspaper is spread out, showing various articles and headlines. A white cup of dark coffee sits on a saucer in the upper right. A smartphone lies in the lower left, its screen displaying a vibrant red maple leaf held by a hand. The overall scene suggests a blend of traditional media (newspaper) and digital technology (smartphone).

Ms. Prime Minister Linda Trimble, 2018-01-18 Ms Prime Minister offers both solace and words of caution for women politicians After

closely analyzing the media coverage of former Canadian Prime Minister Kim Campbell two former Prime Ministers of New Zealand Jenny Shipley and Helen Clark and Australia's 27th Prime Minister Julia Gillard Linda Trimble concludes that reporting both reinforces and contests unfair gender norms News about female leaders gives undue attention to their gender identities bodies and family lives Yet equivalent men are also treated to evaluations of their gendered personas And as Trimble finds some media accounts expose sexism and authenticate women's performances of leadership Ms Prime Minister provides important insight into the news frameworks that work to deny or confer political legitimacy It concludes with advice designed to inform the gender strategies of women who aspire to political leadership roles and the reporting techniques of the journalists who cover them

The End of the CBC? David Taras, Christopher Waddell, 2020-01-29 The End of the CBC is about three overlapping crises the crisis that has enveloped the CBC the crisis of news and the crisis of democracy The emergence of platforms such as Google Facebook Twitter and Netflix the hyper targeting of individual users through data analytics the development of narrow online identity communities and the rise of an attention economy have changed the media landscape in dramatic ways Describing the failure of successive governments to address problems faced by the public broadcaster this book explains how the CBC lost its place in sports drama and entertainment Taras and Waddell propose a way forward for the CBC one in which the corporation concentrates its resources on news and current affairs and re-establishes a reputation for depth and quality

Inside the Campaign Alex Marland, Thierry Gasson, 2020-05-01 Political leaders are the public face of a party during an election campaign But what type of work is conducted behind the scenes by lesser known party members attempting to propel their leaders to victory at the federal level in Canada Inside the Campaign is a behind the scenes look at the people involved in an election campaign and the work they do Each chapter reveals how campaign staffers as well as by those covering and organizing election related events perform their duties and overcome obstacles during the heat of a campaign to get their respective leaders elected Practitioners and political scientists collaborate to present real world insights that demystify over a dozen occupations including campaign chairs fundraisers advertisers platform designers communication personnel election administrators political staff journalists and pollsters Inside the Campaign provides an inside look at and unparalleled understanding of the nuts and bolts of running a federal campaign in Canada

Diasporic Hallyu Kyong Yoon, 2022-04-02 This open access book examines the lived experiences of diasporic Korean youth in light of the transnational flows of South Korean popular culture known as the Korean Wave or Hallyu Drawing on an ethnographic study of Korean Canadian youth and their engagement with the Korean Wave the book proposes a critical understanding of the interactions between diasporic youth audiences and popular culture By examining the Korean Wave as diasporic cultural practices rather than the diffusion of national cultural products the book reveals the diversified ways in which cultural flows are negotiated by audiences who take up relatively ambivalent reception positions between two or more national and cultural contexts This book expands the scope of transnational audience studies and youth cultural

studies by focusing attention on the diasporic media practices of young people **Digital Mediascapes of Transnational Korean Youth Culture** Kyong Yoon, 2019-10-28 Drawing on vivid ethnographic field studies of youth on the transnational move across Seoul Toronto and Vancouver this book examines transnational flows of Korean youth and their digital media practices This book explores how digital media are integrated into various forms of transnational life and imagination focusing on young Koreans and their digital media practices By combining theoretical discussion and in depth empirical analysis the book provides engaging narratives of transnational media fans sojourners and migrants Each chapter illustrates a form of mediascape in which transnational Korean youth culture and digital media are uniquely articulated This perceptive research offers new insights into the transnationalization of youth cultural practices from K pop fandom to smartphone driven storytelling A transnational and ethnographic focus makes this book the first of its kind with an interdisciplinary approach that goes beyond the scope of existing digital media studies youth culture studies and Asian studies It will be essential reading for scholars and students in media studies migration studies popular culture studies and Asian studies

Brand Command Alex Marland, 2016-03-15 The pursuit of political power is strategic as never before Ministers MPs and candidates parrot the same catchphrases The public service has become politicized And decision making is increasingly centralized in the Prime Minister s Office What is happening to our democracy In this persuasive book Alex argues that political parties and government are beholden to the same marketing principles used by the world s largest corporations Called branding the strategy demands repetition of spoken written and visual messages predetermined by the leader s inner circle Marland warns that public sector branding is an unstoppable force that will persist no matter who is in power It also creates serious problems for parliamentary democracy that must be confronted This book will fascinate anyone who is interested in how Ottawa works and where Canadian politics is headed **Political Elites in Canada** Alex Marland, Thierry Giasson, Andrea Lawlor, 2018-09-01 Political Elites in Canada offers a timely look at Canadian politics and how power brokers are adapting to a fast paced digital media environment Elite power structures are changing worldwide and the rise and fall of political influencers permeates national headlines In many areas traditional elites are losing authority over prevailing social economic and political structures Communication between and among elites and citizens is having dramatic implications for political institutions and governance This volume explores the changing landscape of power brokers the ascent of new elites and how these groups are using digital communication to connect with Canadians in unprecedented ways Featuring empirical studies of governmental decision makers in the public service such as political staff and public servants premiers and judges and non governmental influence brokers such as social media commentators and non profit organizations this collection is a much needed synthesis of elite politics in Canada Thinking about Technology Gil Germain, 2017-08-04 The world we make reflects the way reality is perceived and today the world is perceived primarily in technological terms So argues Gil Germain in Thinking About Technology How the Technological Mind Misreads Reality Given the connection

between perception and action or thinking and doing Germain first highlights the central features of technological worldview to better understand the contemporary drive to master the conditions of human existence He then boldly proposes that the technological worldview seriously misreads the nature of the world it seeks mastery over and shows how this misinterpretation invariably leads to the technologically related challenges currently vexing the contemporary social order from the drift toward a posthuman future to the anti globalization backlash Germain closes *Thinking About Technology* by articulating an alternative worldview to the technological perspective and illustrating how this re reading of reality might help us inhabit the technological landscape in ways better attuned to the human condition *Proceedings of the 1st Widyatama International Conference on Management, Social Science and Humanities (ICMSSH 2024)* Viddi Mardiansyah,R. A. E. Virgana Targa Sapanji,2024-12-27 This is an open access book The 1st Widyatama International Conference on Social Science and Humanities 2024 Digital Transformation Innovation and Disruption The conference provides a platform for researchers and industry leaders to discuss critical challenges in digital transformation in various fields The conference covers emerging technologies disrupting the digital transformation journey human centric approaches to ensure safe and effective technology adoption and advanced strategies to drive innovation and adapt to ongoing changes in the digital world
