The Stone Door Leonora Carrington, 2025-07-22 Ancient Mesopotamia the Zodiac and the land of the dead feature in this wildly surrealistic adventure story Leonora Carrington's revolutionary second novel long out of print The Stone Door is an omen an incantation and an adventure story rolled into one Built in layers like a puzzle box it is the tale of two people of love and the Zodiac and the Kabbalah of Transylvania and Mesopotamia converging at the Caucasus of a mad Hungarian King named B les Kinary and of a woman's discovery of an initiatory code that leads to a Cyclopean obstacle to love self and awareness to the great stone door of Kescke and beyond Written at the end of World War II but not published until 1977 and

long unavailable *The Stone Door* is at once a celebration of the union of the surrealist painter Leonora Carrington and her husband the Hungarian born photographer Chiki Weisz and an argument for the unification of the male and the female as a means of liberating the human race Katalin Street Magda Szabo, 2017-09-12 FINALIST FOR THE 2017 PEN TRANSLATION PRIZE From the author of *The Door* selected as one of the New York Times 10 Best Books of 2015 this is a heartwrenching tale about a group of friends and lovers torn apart by the German occupation of Budapest during World War II In prewar Budapest three families live side by side on gracious Katalin Street their lives closely intertwined A game is played by the four children in which B lint the promising son of the Major invariably chooses Ir n Elekes the headmaster s dutiful elder daughter over her younger sister the scatterbrained Blanka and little Henriette Held the daughter of the Jewish dentist Their lives are torn apart in 1944 by the German occupation which only the Elekes family survives intact The postwar regime relocates them to a cramped Soviet style apartment and they struggle to come to terms with social and political change personal loss and unstated feelings of guilt over the deportation of the Held parents and the death of little Henriette who had been left in their protection But the girl survives in a miasmal afterlife and reappears at key moments as a mute witness to the inescapable power of past events As in *The Door* and *Iza s Ballad* Magda Szab conducts a clear eyed investigation into the ways in which we inflict suffering on those we love *Katalin Street* which won the 2007 Prix C vennes for Best European novel is a poignant somber at times harrowing book but beautifully conceived and truly unforgettable

Journey by Moonlight Antal Szerb, 2014-10-07 An NYRB Classics Original The trouble begins in Venice the first stop on Erzsi and Mih ly s honeymoon tour of Italy Here Erzsi discovers that her new husband prefers wandering back alleys on his own to her company The trouble picks up in Ravenna where a hostile man zooms up on a motorcycle as the couple are sitting at an outdoor caf It s J nos someone Mih ly hasn t seen for years and he wants Mih ly to come with him in search of Ervin their childhood friend The trouble comes to a head when Mih ly misses the train he and Erzsi are due to take to Rome Off he goes across Italy wandering from city to city haunted and accosted by a strange array of figures from the troubled youth that he thought he had left behind There are the charismatic siblings va and Tam s whose bizarre amateur theatricals linked sex and death forever in his mind Ervin a Jew turned Catholic monk who was his rival for va s love and again that ruffian on the motorcycle Antal Szerb s dreamlike adventure like Bulgakov s *The Master and Margarita* is an intoxicating utterly individual mix of magic madness eros and menace In the words of the critic Nicholas Lezard No one who has read it has failed to love it

The Fawn Magda Szabó, 2023-03-28 From the author of *The Door* and *Abigail* and for fans of Elena Ferrante and Clarice Lispector a newly translated novel about a theater star who is forced to reckon with her painful and tragic past In *The Door* in *Iza s Ballad* and in *Abigail* Magda Szab describes the complex relationships between women of different ages and backgrounds with an astute and unsparing eye Eszter the narrator and protagonist of *The Fawn* may well be Szab s most fascinating creation Eszter is an only child She grows up in a provincial Hungarian town with her father an eccentric

aristocrat and steeply downwardly mobile flower breeder and her mother a harried music teacher failing to make ends meet in the years before World War II In postwar Communist Hungary Eszter has moved to Budapest and become a star of the stage but she has forgotten no slight and forgiven nobody least of all her too kind and beautiful classmate Angela The Fawn unfolds as Eszter's confession filled with the rage of a lifetime and born we come to sense of irreversible regret It is a tale of childhood of the theater of the collateral damage of the riven twentieth century of hatred and in the end a tragic tale of love

The Open Door Don Share, Christian Wiman, 2022-12-22 If readers would like to sample the genius and diversity of American poetry in the last century there's no better place to start World Literature Today When Harriet Monroe founded Poetry magazine in Chicago in 1912 she began with an image the Open Door For a century the most important and enduring poets have walked through that door William Carlos Williams and Wallace Stevens in its first years Rae Armantrout and Kay Ryan in 2011 And at the same time Poetry continues to discover the new voices who will be read a century from now To celebrate the magazine's centennial the editors combed through Poetry's incomparable archives to create a new kind of anthology With the self-imposed limitation to one hundred they have assembled a collection of poems that in their juxtaposition echo across a century of poetry Here Adrienne Rich appears alongside Charles Bukowski famous poems of the two world wars flank a devastating yet lesser known poem of the Vietnam War Short extracts from Poetry's letters and criticism punctuate the verse selections hinting at themes and threads and serving as guides interlocutors or dissenting voices The resulting volume is a celebration of idiosyncrasy and invention a vital monument to an institution that refuses to be static and most of all a book that lovers of poetry will devour debate and keep close at hand [Abigail Magda Szabo](#), 2020-01-21 From the author of *The Door* a beloved coming of age tale set in WWII era Hungary Abigail the story of a headstrong teenager growing up during World War II is the most beloved of Magda Szabó's books in her native Hungary Gina is the only child of a general a widower who has long been happy to spoil his bright and willful daughter Gina is devastated when the general tells her that he must go away on a mission and that he will be sending her to boarding school in the country She is even more aghast at the grim religious institution to which she soon finds herself consigned She fights with her fellow students she rebels against her teachers finds herself completely ostracized and runs away Caught and brought back there is nothing for Gina to do except entrust her fate to the legendary Abigail as the classical statue of a woman with an urn that stands on the school's grounds has come to be called If you're in trouble it's said leave a message with Abigail and help will be on the way And for Gina who is in much deeper trouble than she could possibly suspect a life-changing adventure is only beginning There is something of Jane Austen in this story of the deceptiveness of appearances fans of J K Rowling are sure to enjoy Szabó's picture of irreverent students eccentric teachers and boarding school life Above all however Abigail is a thrilling tale of suspense [The Rough Guide to Classic Novels](#) Simon Mason, 2008-05-01 Get the lowdown on the best fiction ever written Over 230 of the world's greatest novels are covered from Quixote 1614 to Orhan Pamuk's Snow

Hornby,2012-08-21 Read what you enjoy not what bores you Nick Hornby tells us That simple liberating and indispensable directive animates each installment of the celebrated critic and author s monthly column in the Believer In this delightful and never musty tour of his reading life Hornby tells us not just what to read but how to read Whether tackling a dismayingly bulky biography of Dickens while his children destroy something in the next room or getting sucked into a serious assessment of Celine Dion during an intensely fought soccer match featuring his beloved Arsenal or devouring an entire series of children s books while on vacation Hornby s reviews are rich witty and occasionally madcap These essays capture the joy and ire the despair and exhilaration of the book lover s life and will appeal equally to both monocle wearing salonnieres and people like him who spend a lot of time thinking about Miley Cyrus s next role The Case for Reduction
