Unfortunately nothing is ever simple for a Draglen prince Not everyone is happy to have Shalisi living in the palace Witches have been the enemy of dragons since the dawn of time and have never been welcome in the kingdom Even worse everything and everyone keeps getting in the way No one can agree on anything including him and his hopefully soon to be bride And his family is certainly not helping one little bit Gemi wants tradition Shalisi wants her dreams And the Queen well she just wants the witches gone Shalisi loves Gemi and wants nothing more than to be with him forever But all the people of Cortamagen hate witches and sadly that includes her No one seems to want her there especially Gemi s family She s already lost so much Would becoming Gemi s Wella mean sacrificing her former life along with her witch heritage forever Or worse would she be giving up all hope of one day finding her parents This could turn out to be a royal fiasco But come what may it s sure to be A Draglen s Wedding to remember
