The Dummies Guide To Private Investing:

The Everyday Investor: Investment Guide for Dummies, How a £100 can go a Long Way if Invested Right. Yoma James Kukor, 2019-06-22 The simple action of investing has transformed the lives of countless people taking them from small earners to incredibly wealthy millionaires Investing is something the average folk shy away from Whenever broached about the topic they come up with a list of excuses which would have been as large as their investment portfolio if they had given investing a chance The number one reason across multiple demographics is that they don't have the money to start investing This may have been true years ago but now almost anyone can start investing whenever they're ready If you can afford a coffee habit that averages around 90 pence per month you can begin investing immediately Don't believe me Check out this easily researchable fact Uber a recent startup has already made around 6000 millionaires That's 6000 lives changed in a relatively short amount of time simply because they took the chance to invest in an early idea As an early investor the buy-in amount would be super low which means high profits later down the line Why would you purposely miss out on a similar opportunity With the innovations of the internet and modern life in general it's never been easier to invest All you need is patience a little bit of knowledge of how it works and the will to sacrifice what's necessary to make you successful This book helps you with the second requirement After dissecting the rise and success of legendary investors such as Warren Buffet I combined the ideas and put them to use in my own life This means unlike many other books out there you're getting information based on the knowledge of expert investors as well as from my personal experience Would you rather have your car repaired by someone who knows the parts or would you rather have someone who has worked on thousands of vehicles just like yours The former may have the knowledge you want but the latter has the insight you need The Everyday Investor was designed to help the average person profitably invest their money using proven strategies In this book we break down the best ways to approach investing so that you have long-term passive income In this book you'll learn How to intelligently invest to avoid unnecessary risks Techniques that will enable you to adopt an investor mindset The crucial elements that will make you successful as an investor How to expertly judge which investment opportunities will be profitable And the tax benefits you have as an investor Asset investment is one of the most endorsed passive income methods around Besides making you money in your sleep it's a solid income stream that is only limited by your knowledge and skills Use this guide to transform your 5 figure income into a 7 figure net worth
