Country Life ,1962 *in britain* ,2005 **To Bargain with a Highland Buccaneer** Collette Cameron, 2021-01-04 His heart would never be his to give Not again Bryston McPherson lost everything the night his wife was murdered Now all he wants is peace a respite from the grief and guilt that have haunted him since that night Then a fiery Highlander bursts into his life bringing with her the kind of excitement and happiness he was sure he d never feel again He doesn t deserve her But

that doesn't stop him from wishing everything was different and that he could claim her for his own Branwen Glanville's life took a very unexpected turn when she met Bryston. She never imagined she'd end up spirited away to the former buccaneer's ship fearing for her life and his. And she certainly never thought she'd fall for the surly Scot who saved her from certain death. But she did. Too bad he seems so intent on remaining alone and miserable forever. Is a fairy tale happily ever after ending possible for these polar opposites? Maybe. If Bryston can keep Branwen alive long enough to claim it, that is.

To Bargain with a Highland Buccaneer Collette Cameron, 2021-04-19

What happens when an interfering lass storms into a battle-hardened Highlander's life and turns it upside down? Bryston McPherson lost everything the night his wife was murdered. Since then, he's wanted only solitude and a chance to escape the guilt and grief that have haunted him for years. But when a fiery Highland lass storms into his life bringing danger, defiance, and a glimpse of joy he thought lost forever, Bryston wishes for something he no longer believes he deserves: love and a future with her. Branwen Glanville never expected her world to collide with Bryston's. She certainly didn't plan to be spirited away aboard the former buccaneer's ship fearing for her life and his. Nor did she imagine she'd fall for the brooding warrior who saved her from certain death. But fate has a way of overturning expectations, and her heart is no longer hers to guard. He's certain he has nothing left to give. She's determined to prove him wrong. Can a broken hero and a bold spitfire rewrite their ending before danger tears them apart, or will love slip through their fingers once again?
