Marshall,2013 This book analyses the planning and policy world of major infrastructure as it is moving now in Europe and the UK Have some countries managed to generate genuine consensus on how the large changes are progressed What can we learn from the different ways countries manage these challenges to inform better spatial planning and more intelligent political steering Case studies of the key features of policy and planning approaches in France Germany the Netherlands

Spain and the UK are at the core of Planning Major Infrastructure This includes the different regimes introduced in England and Wales and Scotland brought in by reforms since 2006 High speed rail renewable energy deployment water management waste treatment all raise critical planning issues The case studies connect to the big issues of principle which haunt this field of public policy how can democratic legitimacy be secured How can ecological and economic transitions be managed What is the appropriate role of the national government in each of these areas as against other levels What part has the EU played and should it be involved in the future These are some of the central themes raised in this innovating exploration of this currently high profile field

Literature for Young Adults Joan L. Knickerbocker, 2017-03-15 Young adults are actively looking for anything that connects them with the changes happening in their lives and the books discussed throughout *Literature for Young Adults* have the potential to make that connection and motivate them to read It explores a great variety of works genres and formats but it places special emphasis on contemporary works whose nontraditional themes protagonists and literary conventions make them well suited to young adult readers It also looks at the ways in which contemporary readers access and share the works they're reading and it shows teachers ways to incorporate nontraditional ways of accessing and sharing books throughout their literature programs In addition to traditional genre chapters *Literature for Young Adults* includes chapters on literary nonfiction poetry short stories and drama cover art picture books illustrated literature and graphic novels and film It recognizes that while films can be used to complement print literature they are also a literacy format in their own right and one that young adults are particularly familiar and comfortable with The book's discussion of literary language including traditional elements as well as metafictional terms enables readers to share in a literary conversation with their students and others when communicating about books It will help readers teach young adults the language they need to articulate their responses to the books they are reading
