 Cherokee Stories** Sandra Muse Isaacs,2019-07-03 Throughout our Cherokee history writes Joyce Dugan former principal
 chief of the Eastern Band of Cherokee Indians our ancient stories have been the essence of who we are These traditional
 stories embody the Cherokee concepts of Gadugi working together for the good of all and Duyvkta walking the right path and
 teach listeners how to understand and live in the world with reverence for all living things In Eastern Cherokee Stories
 Sandra Muse Isaacs uses the concepts of Gadugi and Duyvkta to explore the Eastern Cherokee oral tradition and to explain
 how storytelling in this tradition as both an ancient and a contemporary literary form is instrumental in the perpetuation of
 Cherokee identity and culture Muse Isaacs worked among the Eastern Cherokees of North Carolina recording stories and
 documenting storytelling practices and examining the Eastern Cherokee oral tradition as both an ancient and contemporary
 literary form For the descendants of those Cherokees who evaded forced removal by the U S government in the 1830s
 storytelling has been a vital tool of survival and resistance and as Muse Isaacs shows us this remains true today as
 storytelling plays a powerful role in motivating and educating tribal members and others about contemporary issues such as
 land reclamation cultural regeneration and language revitalization The stories collected and analyzed in this volume range
 from tales of creation and origins that tell about the natural world around the homeland to post Removal stories that often
 employ Native humor to present the Cherokee side of history to Cherokee and non Cherokee alike The persistence of this
 living oral tradition as a means to promote nationhood and tribal sovereignty to revitalize culture and language and to
 present the Indigenous view of history and the land bears testimony to the tenacity and resilience of the Cherokee people the
