The First Wife:

The First Wife Muna Shehadi,2022-06-23 **The First Wife** Erica Spindler,2015 Originally published New York St Martin s Press 2015 **The First Wife** Erica Spindler,2015-02-10 An idealistic young woman marries a man she barely knows only to discover his first wife disappeared under mysterious circumstances *The First Wife* Diana Diamond,2010-04-01 For readers of Olivia Goldsmith and Mary Jane Clark comes a dramatic and sensational new thriller with twists and turns at every corner and a chilling shock surprise of an ending Jane Warren swore she d never marry again Sure age isn t a problem Neither are her looks Heaven knows that plenty of perfectly respectable men would consider themselves lucky to end up with someone like her Then again the last perfectly respectable man to end up with her her ex husband ended their marriage not to mention Jane s belief in happy endings But she just can t muster the cynicism to resist William Andrews a dashing debonair widower with two children of his own Soon Jane s doing what she swore she d never do Marching down the aisle promising to have hold serve and protect til death do them part But why does Andrew seem so obsessed with his dead wife And why do the children seem to hate Jane so passionately As Jane struggles to understand the nature of the powerful hold Andrews s first wife still exerts over the husband and children she left behind her day to day life grows increasingly more dangerous During a family outing she is suddenly thrown violently from her horse Had someone deliberately spooked the horse As she takes a midnight swim the mechanical dome over the pool closes on her Did it short circuit or was it sabotage Are these just coincidences or are the stakes and risks getting higher the closer Jane gets to the truth Someone would clearly like to see her follow the first Mrs Andrews to the grave Why In a thriller that moves from New York to Paris to the Caribbean a plot filled with relentless suspense and a witty and intelligent heroine worth cheering for this latest from Diana Diamond is her best yet an unputdownable romance of deadly proportions **Elizabeth, the First Wife of Samuel George Washington Dudley of Pike County, Alabama** James Pylant,2025-06-04 An in depth preponderance of the evidence report of what s known about Elizabeth the first wife of Samuel George Washington Dudley of Pike County Alabama This article originally published at GenealogyMagazine com reveals new information about Elizabeth based on thorough genealogical research and autosomal DNA testing It also dismisses leaping assumptions about Elizabeth and her parentage as found on various online family trees *Jewish First Wife, Divorced* Ethel Gross,2003-01-01 Called by some The Assistant President Harry Hopkins was Franklin Delano Roosevelt s New Deal Relief Administrator In 1913 Hopkins married Ethel Gross a Hungarian Jew who became an active participant in the Progressive Movement in New York City serving as secretary for the Equal Franchise Society and the Women s Political Union Hopkins and Gross were divorced in 1931 but maintained a passionate correspondence from 1913 1945 writing letters that are published here for the first time These letters lead the reader through their clandestine interfaith courtship the joys and the compromises of their early marriage the couple s anger and frustration as the marriage dissolved and finally their cool civility after the divorce This

fascinating correspondence reveals the significant influence of Progressivism on Harry Hopkins's political ideology and thus on the Roosevelt presidency. The letters are equally valuable however for their portrayal of the complex polar tensions for early twentieth century women between the requirements of domestic roles and their own intellectual and professional ambitions. And not least the letters have much to tell us about the experience of a Jewish immigrant woman the process of Americanization and the construction of citizenship. Polygynous Marriages among the Kyrgyz Michele E.

Commercio, 2022-12-06 During Soviet rule the state all but imposed atheism on the primarily Islamic people of Kyrgyzstan and limited the tradition of polygyny a form of polygamy in which one man has multiple wives. Polygyny did continue under communism though chiefly under concealment. In the decades since the fall of the Soviet Union the practice has reemerged. Based on extensive fieldwork Polygynous Marriages among the Kyrgyz argues that this marriage practice has become socially acceptable and widely dispersed not only because it is rooted in customary law and Islamic practice but because it can also enable men and women to meet societal expectations and solve practical economic problems that resulted from the fall of the Soviet Union. Michele E. Commercio's analysis suggests the normalization of polygyny among the Kyrgyz in contemporary Kyrgyzstan is due both to institutional change in the form of altered governmental rules and expectations and to institutional endurance in the form of persistent hegemonic constructions of gender. The First Wife Antonia

Angriss, 2013 **The 19th Wife** David Ebershoff, 2009-06-02 It is 1875 and Ann Eliza Young has recently separated from her powerful husband Brigham Young prophet and leader of the Mormon Church. Expelled and an outcast Ann Eliza embarks on a crusade to end polygamy in the United States. A rich account of her family's polygamous history is revealed including how both she and her mother became plural wives. Yet soon after Ann Eliza's story begins a second exquisite narrative unfolds a tale of murder involving a polygamist family in present day Utah. Jordan Scott a young man who was thrown out of his fundamentalist sect years earlier must reenter the world that cast him aside in order to discover the truth behind his father's death. And as Ann Eliza's narrative intertwines with that of Jordan's search readers are pulled deeper into the mysteries of love family and faith. Zo Chronicles Khup Za Go, 2008

Reports of Cases Argued and Determined in the High Court of Chancery Great Britain. Court of Chancery, 1787 **An Essay on the Learning of Contingent**

Remainders and Executory Devises Charles Fearn, Charles Butler, 1820 *Oklahoma Reports* Oklahoma. Supreme Court, 1924 *Actress Becomes Brothel Master* Li You, 2020-07-26 As a formidable figure in the 21st century she had

actually transmigrated into the body of such a good for nothing Aiyo aiyo this was truly taking her life. With her character how could she possibly endure this humiliation. If anyone dared to bully her they would definitely slap them in the face one by one. In addition to her cool acting who would believe that she was merciless. She was secretly laughing in her heart but was bewitched by this handsome prince. So there was actually such a good looking person in ancient times. **Good**

Housekeeping Magazine, 1911 Laws in the Bible and in Early Rabbinic Collections Samuel Greengus, 2011-10-04 The

remarkable discovery of ancient Near Eastern law collections or codes beginning with the Laws of Hammurabi and followed by many other collections in decades following opened a new window upon biblical law This volume seeks to examine within a single study all of the biblical laws that are similar in content with ancient Near Eastern laws from Sumer Babylonia Assyria and Hatti The book also examines a small but important group of early rabbinic laws from postbiblical times that exhibit significant similarities with laws found in the ancient Near Eastern collections or codes This later group of laws although absent from the Bible are nevertheless of comparable antiquity The presentation focuses on the actual law statements preserved in these ancient law codes The discussion then adds narratives records and reports of legal actions from ancient sources outside the laws all of which relate to the formal law statements The discourse is non polemical in tone and does not seek to revisit all theories and interpretations The format allows readers including those who are new to the subject of biblical law to engage the primary sources on their own Women and Confucianism in Chosŏn Korea Youngmin

Kim, Michael J. Pettid, 2011-11-01 This volume offers a fresh multifaceted exploration of women and Confucianism in mid to late Chosŏn Korea mid sixteenth to early twentieth century Using primary sources and perspectives from social history intellectual history literature and political thought contributors challenge unitary views of Confucianism as a system of thought of women as a group and of the relationship between the two Much earlier scholarship has focused on how women were oppressed under the strict patriarchal systems that emerged as Confucianism became the dominant social ideology during the Chosŏn dynasty 1392 1910 Contributors to this volume bring to light the varied ways that diverse women actually lived during this era from elite yangban women to women who were enslaved Women are shown to have used various strategies to seek status economic rights and more comfortable spaces with some women even emerging as Confucian intellectuals and exemplars **Married** August Strindberg, 2022-11-21 In Married August Strindberg immerses readers in the tumultuous landscape of interpersonal relationships crafting a narrative that unveils the complexities of marriage through a blend of realism and modernist sensibilities Written in Strindberg's signature incisive prose the novel navigates themes of love power dynamics and existential despair within the confines of domestic life Through his vivid character portrayals and psychological depth Strindberg critiques bourgeois values and illustrates the sometimes inescapable discontent found within intimate partnerships making this work resonate within the literary context of the late 19th century August Strindberg a pivotal figure in Swedish literature is renowned for his exploration of human psychology and social issues often drawn from his own tumultuous life experiences His tumultuous marriages and personal struggles with gender roles and identity provided fertile ground for the emotional intensity found in Married Strindberg's innovative approach to drama and narrative coupled with his philosophical ponderings reflects a quest to understand the very nature of human relationships making this novel a cornerstone of his literary oeuvre For readers delving into the intricacies of human relationships and the inherent tensions within marriage Married serves as a compelling and thought provoking exploration

Strindberg's incisive character studies and unflinching examination of societal norms invite readers to reflect on their own notions of love and partnership rendering this work an essential read for those interested in the intersections of psychology sociology and modernist literature *Young People's Lives and Sexual Relationships in Rural Africa* Mary Louisa Plummer, Daniel Wight, 2011-08-16 New infections with HIV remain an urgent problem among young people in Africa but many young Africans pursue sexual relationships with little thought about the epidemic This book examines young people's sexual relationships in a region typical of rural sub Saharan Africa and investigates why the risk of HIV infection generally was not a salient concern for them It is based on an extraordinarily large and representative qualitative study that was affiliated with an adolescent sexual health intervention trial and included three person years of participant observation conducted by young East Africans in nine Tanzanian villages The book describes typical patterns of sexual relationship formation in adolescence and early adult life the variety of young people's relationships and practices and the contradictory social ideals and expectations that led premarital and extramarital relationships to be concealed Young men's main motivations for sex were pleasure and masculine identity while young women's was to receive money or materials to meet their basic needs such as soap or a daytime meal By their late teens most young people had experienced one time sexual encounters open ended opportunistic relationships and main sometimes semi public partnerships Relationships could involve desire possessiveness and affection but romantic idealization of a partner was rare Many young people expected their partners to be monogamous but themselves had had concurrent relationships by age 20 The practice of hiding premarital sexual relationships from adults often also concealed them from other sexual partners which helped maintain concurrency and inhibited realistic risk perception Understanding of the biology of HIV AIDS was very limited Condoms were rarely used because they were associated with reduced pleasure infection and promiscuity Sexually transmitted infections were common but several factors hindered young people from seeking biomedical treatment for them Many instead relied on tradit
