Sorority Support Letter Sample:

The Sorority Body Image Program Group Leader Guide Carolyn Black Becker, Eric Stice, 2008 Teens and young adult women are highly likely to experience some level of body dissatisfaction which if ignored can result in unhealthy dieting habits anorexia or bulimia One in ten adolescent females experience threshold or subthreshold bulimia nervosa but less than 25% of them ever seek treatment Because body dissatisfaction is so prevalent in our society it is often overlooked until it becomes a life threatening illness Treating low body image before it turns into a more serious health risk is the best way to protect young women s health This intervention program stops the onset of dangerous body dissatisfaction by teaching participants to understand and reject the hoax of society s thin ideal Young women in college are at a particularly high risk for dangerous body dissatisfaction and this risk can be exponentially increased for members of sororities In efforts to combat this problem many sororities now offer eating disorder awareness programs for their members This adaptation of the successful Body Project program is designed specifically for use by sororities workbook examples exercises and facilitator s instructions have all been tailored for use in a sorority setting The accompanying workbook contains various assignments that keep participants thinking critically about the thin ideal

White Sororities and the Cultural Work of Belonging

Charlotte Hogg, 2023-12-19 Charlotte Hogg takes a close look through the example of White university sororities at how we create and cling to subcultures through the notion of belonging and how spoken and unspoken rhetorics contribute to this notion Renewed calls to end Greek letter organizations for racism and sexism including increased scrutiny on White women s social justice failings have intensified But as Hogg shows rhetorics of belonging have always occurred amid and even in response to anti GLO sentiment She shows how rhetorical efforts by members for members foster belonging for insiders while also seeking to appease those on the outside In her analysis Hogg positions the study of rhetoric beyond traditional methods of persuasion to show how we communicate and participate in communities as citizens in subtle ways beyond speaking and writing Through engaging narrative drawing on her experiences as a member of a White sorority archival research and interviews with collegians and alumni she shows how efforts toward belonging can influence particular beliefs about womanhood in complex ways This thought provoking volume will interest scholars and students from a range of disciplines including rhetoric and communication studies gender studies feminism sociology cultural anthropology and history
