

An Error That People Love To Repeat

People are usually unsure about what they want in life... But they are almost always sure what they *don't* want. People don't want to be poor – so many folks are plagued with thoughts that center on bankruptcy and endless poverty. There is endless fear, anxiety and sometimes even resentment because life is not playing out perfectly.

Thinking about what you want and thinking about what you *don't* want in life are two very different things. Some people might say that if you know what you *don't* want you automatically know what you want, right?

Wrong. At least, that's how it works when it comes to the law of attraction. Like attracts like – this simple yet complex concept of the law of attraction is the pitfall of many individuals. If you keep thinking about the things that you don't want in life, you will, with certainty, attract those negativities into your life.

Does this sound incredulous or impossible? It isn't. Because as you think more and more about the things that are making your life miserable or intolerable, you are forming mental signals that speak directly with the universe.

That's why many people are unable to recover from challenges like debt. The more they think about their debts, the more they are submerged in the negativity that the situation
