Updated for DVD Studio Pro 4.2 this Apple certified book uses striking real world footage including the HD documentary *One Six Right* to build four complete DVDs. This revised edition covers integration with Final Cut Pro 6 Motion 3 and Compressor 3 as well as the new SD to HD workflow. Each chapter presents a lesson in an aspect of DVD creation and finishing with hands on projects for you to complete as you go. After learning how to storyboard your DVD and plan its interactions you'll set chapter markers create stories build still and motion menus and add overlays and subtitles. You'll also learn to work with multiple audio tracks and camera angles create smart buttons and custom transitions professionally encode audio and video files and create useful scripts. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book search for "Where are the lesson files". Go to the very last page of the book and scroll backwards. You will need a web enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device it is possible that your display settings will cut off part of the URL. To make sure this is not the case try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.
