1902 Another heartwarming tale from the author of *Rebecca of Sunnybrook Farm*. The story begins with alluding to myself as a Goose Girl. I am using only the most modest of my titles for I am also a poultry maid, a tend of Belgian hares and rabbits, and a shepherdess, but I particularly fancy the role of Goose Girl because it recalls the German fairy tales of my early youth when I always yearned but never hoped to be precisely what I now am.
