Between the Lines Monique-Adelle Callahan, 2011-04-22 Between the Lines examines the role of three women poets of African descent Frances Harper Cristina Ayala and Auta de Souza in shaping the literary history of the Americas Despite their different geographic locations each shared common concerns and wrestled in their works with the sociopolitical predicaments of the late nineteenth century Their verse vigorously examined slavery and confronted the existential struggle against boundaries imposed by race nation and gender The writers each conceived of the poem as a dynamic forum where new concepts of individual and collective freedoms could be imagined In their work readers encounter the poem as a site of cross cultural exchange a literary space in which the boundaries of nation can be redefined Between the Lines places national poetics in a global economy of identities histories and languages It looks to poetry to demonstrate how people translate from one cultural or linguistic arena to another how literary expression writes identities and how language is used to conceptualize history The book is the first to juxtapose Cuba Brazil and the United States in a study of nineteenth century women's poetry and the first to include the Lusophone literary tradition in a comparative study of African descendants in Latin America the U S and the Caribbean With close readings and expertly rendered translations Monique Adelle Callahan situates the work of these three poets in a hemispheric context that opens up their writing to new interpretations and expands the definition of African American literature

The Triumph of Death Gabriele D'Annunzio, 2021-05-20 Gabriele D'Annunzio's The Triumph of Death is a masterful exploration of existential dread and the human condition encapsulated in richly evocative prose Set against the backdrop of decadent Italy the novel follows the protagonist Giorgio as he grapples with mortality love and the haunting specter of death D'Annunzio employs lush symbolically charged language encapsulating the themes of desire and despair while integrating elements of philosophical inquiry drawn from contemporary ideas on nihilism and the sublime thus placing the work firmly in the tradition of fin de siècle literature D'Annunzio an influential figure in early 20th century literature and a prominent political activist was heavily influenced by his own tumultuous experiences and the broader cultural shifts in Europe His encounters with beauty and his fascination with both art and politics undoubtedly informed his depiction of life's ephemeral nature The thematic preoccupations of his work mirror his personal grappling with the interplay of life art and the inevitability of death rendering

Sibanda and the Death's Head Moth C M Elliott, 2020-04-02 Fans of Alexander McCall Smith will love Scotty Elliott's Sibanda series Sunday Times SA Detective Sibanda and Sergeant Ncube are back Two bodies are discovered near Gubu one burning at the base of a tree struck by lightning and on the banks of the Zambezi a second killing which threatens to tear Detective Sibanda's life apart The victims are not connected as one is a foreign wildlife researcher and the other a local

driver but Sibanda's intuition tells him the murders are linked. The only clues are a fragment of material found in the brain of one victim, a puncture wound in the thigh of the other, and a diary full of coded names. As the men investigate further, they find links to an ivory smuggling gang, and in their pursuit of the killer, Sibanda and Ncube not only have to cope with their temperamental Landrover, their chief inspector's lack of cooperation, but a rough and remote landscape full of wild and dangerous adventure. Praise for C. M. Elliott: C. M. Elliott has created a lively cast of characters and an intricate, clever plot. Margaret von Klemperer: *The Witness*. A thrilling detective yarn and a finely drawn picture of the counterpoint between the gentle music of the bush and the harsher notes of poachers' deadly gunfire. The Citizen: Her plot keeps readers guessing right to the end, when the monster meets a truly satisfying fate. Elliott's skill as a writer lies in her ability to create and flesh out characters that are so lifelike they thrum in your head for days after finishing her books. Business Live: Will have you hooked. The Gremlin: *Love and Death in the American Novel*. Leslie A. Fiedler, 1997. No other study of the American novel has such fascinating and on the whole right things to say. Washington Post: *Essays Critical and Imaginative: Streams*. Meg Dods's *cooking*. *There is death in the pot*. *Gymnastics*. *Cruikshank on time*. *Health and longevity*. *On early rising*. *Old North and young North*. *The man of ton*. *The loves of the poets*. *Education of the people*. *The young lady's book*. *Days departed, or Banwell hill*. Wordsworth. John Wilson, 1856. **The last battle of the soul in death. [Repr. of the 1629 ed.] ed. by G. Neil**. Zachary Boyd, 1831. *The Crown of Glory; Or, "Faithful Unto Death."*, 1875. *Communities of Death*. Adam C. Bradford, 2014-12-18. To 21st century readers, 19th century depictions of death look macabre, if not maudlin; the mourning portraits and quilts, the postmortem daguerreotypes and the memorial jewelry, now hopelessly, if not morbidly distressing. Yet this sentimental culture of mourning and memorializing provided opportunities to the bereaved to assert deeply held beliefs, forge social connections, and advocate for social and political change. This culture also permeated the literature of the day, especially the works of Edgar Allan Poe and Walt Whitman. In *Communities of Death*, Adam C. Bradford explores the ways in which the ideas, rituals, and practices of mourning were central to the work of both authors. While both Poe and Whitman were heavily influenced by the mourning culture of their time, their use of it differed. Poe focused on the tendency of mourners to cling to anything that could remind them of their lost loved ones; Whitman focused not on the mourner but on the soul's immortality, positing an inevitable reunion. Yet Whitman repeatedly testified that Poe's Gothic and macabre literature played a central role in spurring him to produce *Leaves of Grass*. By unveiling a heretofore marginalized literary relationship between Poe and Whitman, Bradford rewrites our understanding of these authors and suggests a more intimate relationship among sentimentalism, romanticism, and transcendentalism than has previously been recognized. Bradford's insights into the culture and lives of Poe and Whitman will change readers' understanding of both literary icons.
