The Drinks That Save the World Marcia Batiste, 2014-12-26 The drinks that save the world are different colors 50
Simple Things Kids Can Do to Save the Earth Earth Works Group (U.S.), 1990 Explains how specific things in a child's

environment are connected to the rest of the world how using them affects the planet and how the individual can develop habits and projects that are environmentally sound **How Economics Can Save the World** Erik Angner, 2023-01-26

Economics has the power to make the world a better happier and safer place this book shows you how Our world is in a mess The challenges of climate change inequality hunger and a global pandemic mean our way of life seems more imperilled and society more divided than ever but economics can help From parenting to organ donation housing to anti social behaviour economics provides the tools we need to fix the biggest issues of today Far from being a means to predict the stock market or enrich the elite economics provides a lens through which we can better understand how things work design clever solutions and create the conditions in which we can all flourish With a healthy dose of optimism and packed with stories of economics in everyday situations Erik Angner demonstrates the methods he and his fellow economists use to help improve our lives and the society in which we live He shows us that economics can be a powerful force for good awakening the possibility of a happier more just and more sustainable world **Children's Literature Aligned with SDGs to Promote Global**

Competencies Angela K. Salmon, Aixa Pérez-Prado, Karin Morrison, Flavia Iuspa, 2024-05-23 This book presents children's literature as a platform for learning and helping young readers develop the knowledge skills and attitudes needed to thrive in an interconnected and diverse global society It draws from various theoretical frameworks and research findings to implement critical literacy and culturally responsive teaching in the meaning making process The book focuses on global competencies and Sustainable Development Goals SDGs as intertwined concepts that work together to foster a more sustainable inclusive and equitable world Developing global competencies empowers children and communities to actively participate in achieving the SDGs and addressing the pressing challenges of our time The authors set high expectations on children as actors in transforming society To facilitate this the book offers an overview of child development theories as a foundation for designing developmentally appropriate practices to extend children's books toward deep thinking and understanding The book includes sample lessons that use cutting edge research based pedagogies and tools such as visible thinking routines and other approaches Those lessons also help readers identify the Habits of Mind HOM children can develop by listening to and discussing stories The HOM are attributes of good problem finders and problem solvers needed when confronting complex issues The book provides resources and sample lessons that implement different thinking strategies to engage children in questioning and analyzing what they read making them more critical This is how children deeply understand the world and their role in creating positive change The book aims to cultivate change makers and global citizens through stories It offers innovative approaches including online learning options in accessible and engaging ways to

help children think globally and act locally Through the power of children s literature this book serves a larger agenda To build a more thoughtful world for future generations By caring for and learning from one another through suggested activities in this book they will share the riches and resources from across the world As children learn about the promise of actions toward the UN Sustainable Goals they can imagine living in an interdependent learning community where all people continually searching for ways to trust each other learn together and grow toward greater intelligence Arthur Costa and Bena Kallick Co Founders and Directors of The Institute for Habits of Mind *Save the Children Week--1982* United States.
