The Egoist A Comedy In Narrative:

The Egoist George Meredith, 2010-03-22 In *The Egoist* his comic masterpiece George Meredith takes the traditional marriage plot of English domestic fiction and turns it on its head The novel describes the repeated and disastrous courtships of Sir Willoughby Patterne the egoist of the title Three women become engaged to Sir Willoughby but despite his aristocratic arrogance and the manipulative power of his wealth each is finally able to see him more clearly than he sees himself The introduction to this edition provides context for the novel from Meredith's own life his theory of comedy and his understanding of Darwinian thought The appendices include reviews other writing on comedy and historical documents on women sexual politics and the theory of evolution *The Egoist* George Meredith, 1906 "The" Egoist George Meredith, 1915 **The Egoist** George Meredith, 1908 The Egoist George Meredith, 1910 **The Egoist** George Meredith, 2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The Egoist** George Meredith, 2018-03-09 Excerpt from *The Egoist A Comedy in Narrative* Comedy is a game played to throw reflections upon social life and it deals with human nature in the drawing room of civilized men and women where we have no dust of the struggling outer world no mire no violent crashes to make the correctness of the representation convincing Credulity is not wooed through the impressionable senses nor have we recourse to the small circular glow of the watchmaker's eye to raise in bright relief minutest grains of evidence for the routing of incredulity The Comic Spirit conceives a definite situation for a number of characters and rejects all accessories in the exclusive pursuit of them and their speech For being a spirit he hunts the Spirit in men vision and ardour constitute his merit he has not a thought of persuading you to believe in him Follow and you will see But there is a question of the value of a run at his heels Now the world is possessed of a certain big book the biggest book on earth that might indeed be called the Book of Earth whose title is the Book of Egoism and it is a book full of the world's wisdom So full of it and of such dimensions is this book in which the generations have written ever since they took to writing that to be profitable to us the Book needs a powerful compression About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Egoist** George Meredith, 2007-11-01 The Egoist; a Comedy in Narrative
