A Handbook for Travellers on the Continent: Belng a Guide to Holland, Belgium, Prussia, Northern Germany and the Rhine from Holland to Switzerland (etc.) 12. Ed. Corr [Anonymus AC09932313],1858

For the Refreshment of the Spirit: A Fairy Tale ,2023-05-24 I hardly feel like the author of this tale which in the foreground is about a knight on quest to find his true love though after another fashion the knight himself is a minor figure and what matters is the fairies their magic their beauty Yes I wrote it down but the beginnings of it came to me long ago in a dream and as for the rest it seemed that I was being led by winds of imagination to uncover in allegorical form certain archetypes of human experience so that the real author of the tale is the world and the principle of beauty Not only has this tale struck others as if it were written long long ago but it seems to me as well as if I had discovered an old legend in an old scroll in the gardens of a ruined castle I feel not so much proud to have written it as grateful to have read it I hope that it will refresh the spirits of others as it has often refreshed mine
