Kraybill,2017-09-12 In this unique educational history Donald B Kraybill traces the sociocultural transformation of Eastern Mennonite University from a fledgling separatist school founded by white rural Germanic Mennonites into a world engaged institution populated by many faith traditions cultures and nationalities The founding of Eastern Mennonite School later Eastern Mennonite University in 1917 came at a pivotal time for the Mennonite community Industrialization and scientific discovery were rapidly changing the world and the increasing availability of secular education offered tempting alternatives

that threatened the Mennonite way of life In response the Eastern Mennonites founded a school that would uphold the principles of plainness and simplicity where youth could learn the Bible and develop skills that would help advance the church In the latter half of the twentieth century the university s identity evolved from separatism to social engagement in the face of churning moral tides and accelerating technology EMU now defines its mission in terms of service peacebuilding and community Comprehensive and well told by a leading scholar of Anabaptist and Pietist studies this social history of Eastern Mennonite University reveals how the school has mediated modernity while remaining consistently Mennonite A must have for anyone affiliated with EMU it will appeal especially to sociologists and historians of Anabaptist and Pietist studies and higher education
