Found Anew R. Mac Jones, Ray McManus, 2015-10-20 Found Anew is an anthology of new poetry and prose from writers with strong ties to the Palmetto State that creatively engages with historical photographs found in the

digital collections of the University of South Carolina's South Caroliniana Library. In their eclectic approach to ekphrasis, textual response to the visual editors R. Mac Jones and Ray McManus have recruited an impressive group of poets and fiction writers including National Book Award winning poets Terrance Hayes and Nikki Finney who provides the foreword, their fellow South Carolina Academy of Authors honorees Gilbert Allen, John Lane Bret Lott, George Singleton and Marjory Wentworth, Lillian Smith Award winner Pam Durban and others. These thirty-one pairings of archival images with original creative responses illustrate the breadth and richness of the diverse talents of South Carolina writers. While the digital collections are a much valued resource for researchers and educators, *Found Anew* encourages a wider use as a source of inspiration for writers and artists inventing narratives set in and about South Carolina. In coupling the poems and short stories with the images that inspired them, the anthology shows writers gauging unlikely depths in curious photographs that other eyes might pass over without a second glance, conjuring perfect words for the emotion evoked by a particular image and rendering and reimagining the visual in seemingly disparate but ultimately linked narratives. An instructive model for active collaborative engagement between creative writers and culturally significant visual prompts, this collection also serves to demonstrate the accessibility and scope of archival photography available through South Caroliniana's digital collections. Through these creative responses, the images are not recovered or explained but rather found anew. Contributors: Gilbert Allen, Sam Amadon, Laurel Blossom, Darien Cavanaugh, Phebe Davidson, Pam Durban, Julia Eliot, Worthy Evans, Richard Garcia, Will Garland, Linda Lee Harper, Terrance Hayes, Thomas L. Kitchen Banana Yoshimoto, 2015-09-15. The acclaimed debut of Japan's master storyteller. *Chicago Tribune*: With the publication of *Kitchen*, the dazzling English language debut that is still her best loved book, the literary world realized that Banana Yoshimoto was a young writer of enduring talent whose work has quickly earned a place among the best of contemporary Japanese literature. *Kitchen* is an enchantingly original book that juxtaposes two tales about mothers' love, tragedy and the power of the kitchen and home in the lives of a pair of free-spirited young women in contemporary Japan. Mikage, the heroine, is an orphan raised by her grandmother who has passed away. Grieving, Mikage is taken in by her friend Yoichi and his mother, who is really his cross-dressing father, Eriko. As the three of them form an improvised family that soon weathers its own tragic losses, Yoshimoto spins a lovely evocative tale with the kitchen and the comforts of home at its heart. In a whimsical style that recalls the early Marguerite Duras, *Kitchen* and its companion story *Moonlight Shadow* are elegant tales whose seeming simplicity is the ruse of a very special writer whose voice echoes in the mind and the soul. Lucid, earnest and disarming. It seizes hold of the reader's sympathy and refuses to let go. Michiko Kakutani, *The New York Times* Weird
