The story of the Cheyenne Indians in the 1870s and their bitter struggle to flee from the Indian Territory in Oklahoma back to their home in Wyoming and Montana Mr Fast's novel will stand or fall upon its value as a dramatic finely presented story It is all of that a model which may easily become a classic example of what to put in and what to leave out in the writing of a historical novel I do not believe it is saying too much to suggest that in the person of Mr Fast we may have the next really important American historical novelist

BooksFast's writing austere polished and austere poetic is admirably suited to this epic tale of a desperate effort for dignified survival Fast has gotten to the core of this incident and made it into a rich American novel

New York Times Book ReviewAn amazing restoration and reconstruction The characters breathe the landscape is solid ground and sky and the story runs flexibly along the zigzag trail of a people driven by a deep instinct to their ancient home I do not know any other episode in Western history that has been so truly and subtly perpetuated as this one A great story lost has been found again and as here told promises to live for generations

My Glorious Brothers Howard Fast, 2011-11-01 Fast is at his best as a storyteller

Christian Science Monitor The strength of five brothers will define a nation *My Glorious Brothers* is the epic story of perhaps the most breathtaking chapter in the history of Israel a stirring tale of courage for those who like to find meaning for today's world in the great events of history After witnessing a ransacked and desecrated Jerusalem Simon and his four brothers soon to be known and revered as the Maccabees rise to lead an earthshaking rebellion Their tale has almost no parallel in human history Theirs was the will fire and unbending spirit that inspired the timeless rite of Hanukkah transforming a society of farmers and scholars into an unconquerable army that would wage the first modern fight for freedom and the first victory for religious freedom

Master storyteller Howard Fast recounts the story of great battles brutal atrocities and undying love and loyalty But it is also a sensitive and sure picture of a people and an age in which the mood of a small but spirited segment of humanity two thousand years ago is recreated with gripping authenticity
