Diaspora Nationalism and Jewish Identity in Habsburg Galicia Joshua Shanes, 2012-08-06 The triumph of Zionism has clouded recollection of competing forms of Jewish nationalism vying for power a century ago This study explores alternative ways to construct the modern Jewish nation Jewish nationalism emerges from this book as a Diaspora phenomenon much broader than the Zionist movement Like its non Jewish counterparts Jewish nationalism was first and foremost a movement to nationalize Jews to construct a modern Jewish nation while simultaneously masking its very modernity Diaspora Nationalism and Jewish Identity in Habsburg Galicia traces this process in what was the second largest Jewish community in Europe Galicia The history of this vital but very much understudied community of Jews fills a critical lacuna in existing scholarship while revisiting the broader question of how Jewish nationalism or indeed any modern nationalism was born Based on a wide variety of sources many newly uncovered this study challenges the still dominant Zionist narrative by demonstrating that Jewish nationalism was a part of the rising nationalist movements in Europe

Another Zionism, Another Judaism Göran Rosenberg, 2025-02-04 A timely deeply personal biography of a Jewish leader whose questions for Israel have come back to

haunt us with a vengeance Born in what is now Lviv Ukraine in 1869 Marcus Ehrenpreis was the secretary of Theodor Herzl at the First Zionist Congress in Basel in 1897 a grand rabbi of Bulgaria during two Balkan wars a diplomat in defense of Europe's minorities a Swedish author compared to Joseph Conrad the chief rabbi of one of Europe's few unscathed Jewish communities through the Nazi era More than a biography of a man's life and work this book is a literary journey by award winning Swedish Jewish writer and public intellectual G ran Rosenberg A Brief Stop on the Road from Auschwitz in search of that European Jewish world of meaning and hope that Ehrenpreis so clearly embodied so vividly articulated and so relentlessly worked to explain defend and salvage from his pulpit in Stockholm His lifelong dream was to build a bridge between Israel and the peoples and he believed that he could do so by bringing a spiritually and culturally revitalized Judaism into a new and self asserted contact with the non Jewish world His Zionism was not about making Jews a nation like all others in a nation state like all others but creating a spiritual and cultural center for the renaissance of Jewish life amidst the nations Even as Jewish life in Europe was all but annihilated he feared what Jewish nationalism might do to the spiritual heritage of Judaism A meticulously researched and beautifully written story of boundless hope unrequited love and annihilated possibilities Another Zionism Another Judaism evokes a diasporic Jewish existence that would be harshly judged in the aftermath of the Holocaust and the creation of the State of Israel It also reminds us of a Zionism that strived for something other than an ethnic national fortress on a narrow strip of land in the Middle East
