his back including Abby the girl of his dreams The Falcon and the Mourning Dove is a wartime romantic novel with timeless dimensions gritty packed with stark realities of war and edgy human relationships A sniper and medic form a symbiotic rapport during the Iraq war The story follows Smitty and Abby through their difficulties going into the army through training and deployment to Iraq An intense year of combat with their National Guard brigade spins their developing relationship into peril under stresses of deep physical and psychological wounds This story of love in war refreshes Tolstoy's question of whether lives are pre-determined or shaped by responses to events Smitty Wesson is a classic bad boy and underachiever raised by his father an affected Vietnam veteran after his mother died He is more invested in guns motorcycles and brawling than conforming to societal norms The army offers redemption and a chance to find his roots In basic training Smitty discovers he needs friends to watch his back But all his human relationships remain tenuous Abby Arden enlists as an army medic in her quest to become a physician She also needs help and finds it with a streetwise black girl the rebel from her hometown and eventually his recovering father Smitty and Abby are sternly tested as they evolve haunted by stark impressions of combat in wartime Iraq When their dreams are dashed against hard reality their lives take radical turns This emotional roller coaster of American veterans is at once heartwarming and heartbreaking After years of uniformed service the author served for two years in Iraq as a civilian advisor See About the Author inside **Mutations of the Phoenix**

 of Buddhist literature is mDo mdzangs blun or the Sutra of the Wise and the Foolish as it is known to the Mongols The text
 was translated to Mongolian from Tibetan as the Liger n Dalai or Ocean of Narratives It is one of the most interesting
 enjoyable and readable Buddhist scriptures For centuries it has been an inexhaustible source of inspiration instruction and
 pleasure for all who have been able to read it The history of this unusual scripture is still uncertain Legend has it that the
 tales were heard in Khotan by Chinese monks who translated them but from what language into Chinese from which it was
 translated into Tibetan then into Mongolian and Oirat The Narratives are Jatakas or rebirth stories tracing the causes of
 present tragedy in human lives to events which took place in former lifetimes The theme of each narrative is the same the
 tragedy of the human condition the reason for this tragedy and the possibility of transcending it But unlike Greek tragedy
 Buddhist tragedy is never an end in itself i e a catharsis but a call to transcend that which can be transcended and need not
 be endlessly endured The people we meet in the Sutra of the Wise and the Foolish although supposedly living in the India of
 the Buddha s time might also be living at present in New York City a small rural town or Leningrad and the problems they
 face are the same problems that men have had to face always and everywhere Herein lies the timeless appeal of this
 profound Buddhist scripture
