The First Epistle To The Corinthians:

The First Epistle to the Corinthians Gordon D. Fee, 1987-07-10 Gordon Fee's work on I Corinthians is a contribution to The New International Commentary on the New Testament Prepared by some of the world's leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God *The First Epistle to the Corinthians, Revised Edition* Gordon D. Fee, 2014-12 This landmark commentary originally published in 1987 has been lauded as the best study available of Paul's theologically rich first letter to the Corinthians Writing primarily for pastors teachers and students Gordon Fee offers a readable exposition of 1 Corinthians that clearly describes the meaning of Paul's ideas and their larger theological relevance Fee's revised edition is based on the improved updated 2011 edition of the NIV and it takes into account the considerable scholarship on 1 Corinthians over the past twenty five years Fee has also eliminated chapter and verse language totally foreign to Paul's first century letter relegating the necessary numbers for finding things to parentheses **The First Epistle to the Corinthians** Anthony C. Thiselton, 2000-11-22 This superb volume in the New International Greek Testament Commentary series provides the most detailed definitive and distinctive commentary on 1 Corinthians available in English to date One of the world's most respected Christian theologians Anthony Thiselton here provides in depth discussion of the language of 1 Corinthians presents his own careful translation of the Greek traces the main issues of interpretation from the church fathers to the present and highlights topics of theological ethical and sociohistorical interest today including ethics and rights marriage divorce and remarriage headship gender prophecy and many others No other commentary on 1 Corinthians embodies the wealth and depth of detail presented in Thiselton's work which takes account of nearly all scholarly research on 1 Corinthians and incorporates substantial bibliographies throughout In his commentary Thiselton indeed addresses virtually every question that thoughtful serious readers scholars students pastors teachers may wish to ask of or about the text of 1 Corinthians His work truly offers a fresh comprehensive and original contribution to our understanding of this major epistle and its contemporary relevance **First Epistle to the Corinthians** C. K. Barrett, 2004-11-06 No Marketing Blurb **The first epistle to the Corinthians** John James Lias, 1895 **The First Epistle of Paul to the Corinthians** Leon Morris, 1985 Provides a section by section commentary on the New Testament book of First Corinthians featuring discussion of primary themes individual verses and problems of interpretation and including information on authorship date and historical background **The First Epistle to the Corinthians** Marcus Dods, 1898 **A Commentary on the First Epistle to the Corinthians** Thomas Charles Edwards, 1886 *The First Epistle to the Corinthians* John James Lias, 1886 **The First Epistle To the Corinthians** Marcus Dods, 2020-07-25 Reproduction of the original *The First Epistle To the Corinthians* by Marcus Dods *Commentary on the First Epistle to the Corinthians* F.W. Grosheide, 2019-04-16 New in the Eerdmans Classic Biblical Commentaries collection This classic commentary by F W

Grosheide on 1 Corinthians unpacks Paul's letter to the first century Corinthian church and applies his teachings to our own situation with vigor and understanding. The volume throughout exhibits Grosheide's fairness to the views of others and his single mindedness to expound fully the inspired text. Originally published in 1953 as part of the New International Commentary on the New Testament series, Grosheide's Commentary on the First Epistle to the Corinthians in this new format will continue helping pastors, teachers, students and other Bible readers grasp the aim and major themes of Paul's first Corinthian letter.

Exposition of the First Epistle to the Corinthians Simon J. Kistemaker, 1993. Begun by William Hendriksen, Baker's New Testament Commentary has earned the acclaim and respect of Reformed and evangelical scholars and pastors. Since Hendriksen's death in 1982, the series has been continued by Simon J. Kistemaker. Four of the volumes compiled by Kistemaker earned the Gold Medallion Award: Hebrews, James and 1-3 John, Acts, and 1 Corinthians. The series was completed in 2001 with the publication of Revelation. This award-winning series from Baker Academic is currently the only available commentary from a Reformed perspective that covers the entire New Testament.

A Commentary on the First Epistle to the Corinthians Charles Kingsley Barrett, 1968. This is another volume in the distinguished series HARPER'S NEW TESTAMENT COMMENTARIES. Professor Barrett's new contribution to the series will be particularly welcomed because of the scarcity of material on the First Epistle to the Corinthians. The author describes in his Introduction the situation in Corinth, the relations between Paul and the Corinthian Church, the authenticity and integrity of the Epistle and its contribution to the development of theology and to our knowledge of the early Church. In the commentary, he fully interprets each passage of the Epistle and its message. Professor Barrett has provided his own translation of the text to complement his commentary and express as accurately and as clearly as possible what Paul said. It is his conviction that the Church today needs to discover the apostolic Gospel and through 1 Corinthians the relation between this Gospel and its order, discipline, worship, and ethics.

The First Epistle of Paul the Apostle to the Corinthians Jean Calvin, 1996. This is a print on demand book and is therefore non-returnable. This volume is one of twelve classic commentaries by John Calvin, theologian par excellence of the Reformation, whose expositions of Scripture remain as relevant as ever. Edited by David W. Torrance and Thomas F. Torrance, these twelve commentaries on the New Testament bring Calvin's authoritative voice to life in clear contemporary English. The translations all strive to retain the close coherence of Calvin's ideas and characteristic images while remaining faithful to the Latin text, doing full justice to the Reformer's qualities as one of history's finest expositors of the Word of God.

The First Epistle to the Corinthians C. K. Barrett, 1987. **The second epistle to the Corinthians** John Henry Bernard, **The First Epistle of Paul the Apostle to the Corinthians** Reginald St. John Parry, 1916. The First Epistle to the Corinthians Gordon D. Fee, 1991. *The First Epistle to the Corinthians* Marcus Dods, 1891. **1 Corinthians** Hans Conzelmann, 1975. Conzelmann has a genius for brevity and those familiar with Corinthians will generally read with great profit his incisive judgements. English speakers are indeed fortunate to have Conzelmann made available first.
