The Fourth Child Family Matters Book:

The Fourth Child C. J. Carmichael, 2002 **Kristin Hannah's Family Matters 4-Book Bundle** Kristin

Hannah, 2013-09-16 1 New York Times bestselling author Kristin Hannah is superb at delving into her main characters' psyches and delineating nuances of feeling. The Washington Post Book World: The novels in this eBook bundle contain some of her most beloved characters in stories that explore the resilience of the human spirit, the triumph of hope, and the meaning of home.

ANGEL FALLS An all-night reading affair you won't be able to put it down. Angel Falls will make you laugh and cry. New York Post: When Mikaela Campbell, beloved wife and mother, falls into a coma, it is up to her husband Liam to hold the family together and care for their grieving, frightened children. Every day he sits at Mikaela's bedside, hoping against hope that she will wake up. But then he discovers his wife's secret past: a hidden first marriage to movie star Julian True. Desperate to bring Mikaela back at any cost, Liam must turn to Julian for help. But will that choice cost Liam his wife, his family, and everything he holds dear?

BETWEEN SISTERS Enormously entertaining. Hannah has a nice ear for dialogue and a knack for getting the reader inside characters' heads. The Seattle Times: Twenty-seven years ago, Meghann Dontess was forced to make a terrible choice, one that cost her the love of her sister Claire. Now Meghann is a hotshot divorce attorney who doesn't believe in much of anything. She is surprised when her sister calls out of the blue to say she is engaged. Meghann knows this is her chance to reconnect with her sister. She offers to plan the ceremony, but Claire knows that pleasing her judgmental sister is almost impossible. Nothing seems to work between them until tragedy strikes. At last, these two sisters, with nothing in common, will have to become what they never were: a family.

THE THINGS WE DO FOR LOVE Hannah captures the joy and heartache of family as she draws the reader into the lives of her characters and makes them feel like personal friends. Booklist: Years of trying unsuccessfully to conceive a child have broken more than Angie DeSaria's heart. Following a painful divorce, she moves back to her hometown where life rises and falls like the tides to manage her family's restaurant. Her fortune changes yet again when she hires Lauren Ribido. Angie sees something special in the troubled seventeen-year-old, and when Lauren's mother abandons her, Angie offers the girl a place to stay. But nothing could have prepared Angie for the far-reaching repercussions of this act of kindness.

MAGIC HOUR A wonderful novel, wild, radiant, and vivid. Luanne Rice: From deep within the Olympic National Forest, nearly a million acres of impenetrable darkness, a six-year-old girl appears, wild-looking and alone. Child psychiatrist Dr. Julia Cates is determined to free the extraordinary girl she calls Alice from a prison of unimaginable isolation. The child can't speak and seems to have never been around people. As Julia seeks to help Alice, she discovers who the child is. The shocking facts about Alice's past test the limits of Julia's faith and strength, even as she struggles to make a home for Alice and for herself.

A Private Family Matter Victor Rivas Rivers, 2006-04-29 This is a story about how I was saved by love at a time when most people considered me beyond rescue begins Victor Rivas Rivers in this powerful chronicle of how he escaped the war zone of domestic violence too often regarded as a private family matter and went on to become a good man a film star and a prominent activist The Cuban born author begins by recalling when he was kidnapped along with three of his siblings by his own father who abandoned Victor's pregnant mother and took the children on a cross country hell ride that nearly ended in a fatal collision This journey of survival portrays with riveting detail how instead of becoming a madman like his father Victor was saved by a band of mortal angels Miraculously seven families stepped forward along with teachers and coaches to empower him on his road from gang member to class president through harrowing and hilarious football adventures at Florida State and with the Miami Dolphins to overcoming the Hollywood odds and becoming a champion for all those impacted by domestic violence Though at times Victor's odyssey is heartbreaking and disturbing A Private Family Matter is ultimately a triumphant testament to humanity courage and love Profound and poignant it is a compelling memoir with a cause Victor Rivers's way of thanking all the angels and advocates who made a difference in his life is by trying to make a difference in all of ours
