Joan Corder

The Dictionary Of Heraldry Feudal Coats Of Arms And Pedigrees:

The Dictionary of Heraldry Joseph Foster, 1995-02-01 The Dictionary of Heraldry Joseph Foster, 1992-01-01 **The Dictionary of Heraldry** Joseph Foster, 1989 The scope of Foster's work has never been surpassed and the original edition a rare and expensive volume is one of the most sought after illustrated books on feudal arms The Dictionary of Heraldry makes it possible for medieval scholars designers artists and those with an interest in feudal arms and art to add this wonderful volume to their libraries **Tales of the Crusaders - Remembering the Crusades in Britain** Elizabeth Siberry, 2021-01-31 Engaging the Crusades is a series of volumes which offer windows into a newly emerging field of historical study the memory and legacy of the crusades Together these volumes examine the reasons behind the enduring resonance of the crusades and present the memory of crusading in the modern period as a productive exciting and much needed area of investigation Crusading was a part of the rich tapestry of family history with tales of crusading developed as evidence of heroic endeavour to enhance family prestige Lists of crusaders were published to satisfy this market and heraldry was a visible means of displaying such lineage Drawing on extensive research and previously untapped sources this book charts continuing British interest in the crusades focusing on the nineteenth century The volume discusses what was available to read on the subject and how this was discussed in numerous journals Set in the British context of growing local and regional interest in history and archaeology the study also considers the physical artefacts associated with the crusades **Tales of the Crusaders Remembering the Crusades in Britain** is the ideal resource for students and scholars of the history of memory and crusades history in a British context Arthur's Miscellany Helmut Nickel, 2025-02-15 Helmut Nickel's extensive scholarship is a considerable contribution to the world of Arthurian studies **The Church Visible** James-Charles Noonan, 2012-08-07 Revised and updated for the 21st century the legendary resource on the universality spirituality and grandeur of the post Vatican II Catholic Church Filled with detailed information that will fascinate any Catholic What is a zucchetto and who wears one Why do cardinals have their title in the middle of their names How do the Knights of Malta serve in the modern Church it's also an indispensable reference for scholars journalists and anyone in business or government who has practical dealings with the Church *Before Malory* Richard James Moll, 2003-01-01 Although most modern scholars doubt the historicity of King Arthur parts of the legend were accepted as fact throughout the Middle Ages Medieval accounts of the historical Arthur however present a very different king from the romances that are widely studied today Richard Moll examines a wide variety of historical texts including Thomas Gray's *Scalacronica* and John Hardyng's *Chronicle* to explore the relationship between the Arthurian chronicles and the romances He demonstrates how competing and conflicting traditions interacted with one another and how writers and readers of Arthurian texts negotiated a complex textual tradition Moll asserts that the enormous variety and number of existing chronicles demonstrates the immense popularity of the historical Arthur in medieval England Since these chronicles were the dominant source of Arthurian

information for the late medieval reader they provide an invaluable and neglected interpretive context for modern readers of Malory and other later medieval romances The first monograph to look at the impact of these historical texts on Arthurian literature Before Malory is also the first to show how canonical vernacular romances interacted with chronicle texts that have since dropped out of the canon

Walford's Guide to Reference Material: Social and historical sciences, philosophy and religion Albert John Walford, Marilyn Mullan, Priscilla Schlicke, Library Association, 1999 A revised and updated guide to reference material It contains selective and evaluative entries to guide the enquirer to the best source of reference in each subject area be it journal article CD ROM on line database bibliography encyclopaedia monograph or directory It features full critical annotations and reviewers comments and comprehensive author title and subject indexes The contents include philosophy and psychology religion social sciences sociology statistics politics economics labour and employment land and property business organizations finance and banking and economic surveys economic policies and controls trade and commerce business and management and law public administration social services and welfare education customs and traditions geography biography and history

Prestige, Authority, and Power in Late Medieval Manuscripts and Texts Felicity Riddy, 2000 A range of manuscripts and texts from various social contexts studied for what they reveal of that social background

Leper Knights David Marcombe, 2003 One of the most unusual contributions to the crusading era was the idea of the leper knight a response to the scourge of leprosy and the shortage of fighting men which beset the Latin kingdom in the twelfth century The Order of St Lazarus which saw the idea become a reality founded establishments across Western Europe to provide essential support for its hospitaller and military vocations This book explores the important contribution of the English branch of the order which by 1300 managed a considerable estate from its chief preceptory at Burton Lazars in Leicestershire Time proved the English Lazarites to be both tough and tenacious if not always preoccupied with the care of lepers Following the fall of Acre in 1291 they endured a period of bitter internal conflict only to emerge reformed and reinvigorated in the fifteenth century Though these late medieval knights were very different from their twelfth century predecessors some ideologies lingered on though subtly readapted to the requirements of a new age until the order was finally suppressed by Henry VIII in 1544 The modern refoundation of the order a charitable institution dates from 1962 The book uses both documentary and archaeological evidence to provide the first ever account of this little understood crusading order DAVID MARCOMBE is Director of the Centre for Local History University of Nottingham

Walford's Guide to Reference Material Albert John Walford, Marilyn Mullan, Priscilla Schlicke, 1994 Volume 2 of this guide contains descriptions of 8300 plus critically evaluated recommended reference resources available in all formats Organized by Universal Dewey Classification the topics covered are those usually found in the 100s Philosophy Psychology 200s Religion 300s Social Sciences the 900s Geography Biography History This volume particularly reflects the proliferation of travel tourist guides reference works on Eastern Europe Central Asia following the collapse of communism Over the last few years an enormous

expansion has also been noted of reference works in both religion philosophy Volume 1 covers Science Technology Volume 3 covers Generalia Languages Literature the Arts Recommended in Choice Reference Reviews American Reference Books Annual

A Dictionary of Suffolk Crests Joan Corder,1998 A record of crests of Suffolk and Norfolk families arranged by charge or object covering 600 years and c 8 000 names This volume offers a comprehensive guide to the heraldry of Suffolk over more than six centuries covering around 8 000 names and acting as a companion to the earlier Dictionary of Suffolk Arms 1965 It is the first attempt to produce an Ordinary of crests a classification by charge or object using standardised groupings arranged in such a manner that they may be readily identified when the name of the bearer is unknown the usual arrangement is alphabetical by name an Armory Although it relates specifically to Suffolk many crests relating to Norfolk families are given the two counties having always been closely connected heraldically and genealogically The book will be of interest for all those interested in heraldry and on a wider level act as a handbook for the identification of crests when borne alone on artefacts ranging from signet rings and silverware to pub signs and school uniform crests JOAN CORDER the author of a Dictionary of Suffolk Arms is an independent scholar and recognised authority on East Anglian heraldry
