The Dirty Little Slut Is Hot And Bothered:

Reluctant Mama Alyson Belle, I should have known better than to mess with my wife's birth control pills. Sure I managed to get her preggers but now she's swapped bodies with me to punish me and I'm the one stuck carrying this little bundle of joy. Carson has always wanted a big family but his wife Katie insists that she's not ready to put her body through all of the hassle of having one yet. She's a young hot yoga instructor enjoying life on her own terms while Carson hangs out with his friends at the pub. Carson can't let it go though. Women are made for this sort of thing, he figures. She probably just needs a little push. So one day he swaps out her birth control pills for fakes and hopes that by the time she realizes what's going on she'll just get used to things. When his plan works, Katie ends up being pretty pissed. He didn't count on her having a magic spell that swaps their places though. Now he's stuck dealing with the consequences of his own actions all nine months of them. And if he doesn't do everything Katie says and keep his new body in tip top shape, she might make him do it again and again and again.
