The End Of The World English Edition:

The End of the World Ernesto de Martino, 2023-11-29 The first English translation of a classic work of twentieth century anthropology and philosophy A philosopher historian of religions and anthropologist Ernesto de Martino 1908 1965 produced a body of work that prefigured many ideas and concerns that would later come to animate anthropology In his writing we can see the roots of ethnopsychiatry and medical anthropology discussions of reflexivity and the role of the ethnographer considerations of social inequality and hegemony from a Gramscian perspective and an anticipation of the discipline s existential turn We also find an attentiveness to hope and possibility despite the gloomy title of his posthumously published book *La fine del mondo* or *The End of the World* Examining apocalypse as an individual as well as a cultural phenomenon treating subjects both classic and contemporary and both European and non Western ranging across ethnography history literature psychiatry and philosophy de Martino probes how we relate to our world and how we might be better subjects and thinkers within it This new translation offers English language readers their first chance to engage with de Martino s masterwork which continues to appear prescient in the face of the frictions of globalization and environmental devastation

Apocalypse and Millennium Kenneth G. C. Newport, 2000-08-10 *Apocalypse and Millennium* argues that far from being a random sequence of bizarre statements millennial schemes including the setting of dates for the second coming of Christ are more often characterised by highly complex and internally consistent interpretations of scripture Such interpretations do not always result in positive outcomes As an example the work of David Koresh is examined at length Koresh styled by some the Wacko from Waco clearly had views which some would find odd However his interpretation of scripture did not lack system or context and to see him in that light is to begin to understand why his message had appeal particularly to those of the Seventh day Adventist tradition The final three chapters in this book outline Koresh s thinking on end time events and trace the line of his interpretative tradition from nineteenth century Millerism through Seventh day Adventism and

Davidianism which began in 1929 **BOOK JACKET** *Catalog of Copyright Entries, Third Series*, 1966 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc [Holy Bible, Translated, Revised and Corrected from the 1898 version \(English Edition\)](#) Edição Digital, 2024-09-11 Holy Bible Translated Revised and Corrected from the 1898 version Discover Eternal Wisdom with the Holy Bible Translated Revised and Corrected by Unipress Editora Explore the 1898 version of the Holy Bible carefully translated revised and corrected by Unipress Editora This classic edition preserves the purity of the scriptures offering a faithful and in depth reading of the Word of God Whether for study personal devotion or spiritual enrichment this Bible is a reliable source of inspiration and guidance Download now and experience the confidence and peace that only a faithful and consecrated translation can provide Don't miss the opportunity to have in your hands an incomparable spiritual treasure approved over the centuries by scholars and spiritual leaders Click to download and strengthen your faith with a Bible that is synonymous with truth and trust **Will All be Saved?** Laurence Malcolm Blanchard, 2015-04-01 This book provides a survey and critical assessment of the doctrine of universal salvation in contemporary western theology within the context of the historic development of the doctrine [Bulletin of the International Railway Congress Association \[English Edition\]](#) International Railway Congress Association, 1903 [The Greatest Works of French Literature \(English Edition\)](#) Charles Baudelaire, George Sand, Anatole France, Molière, Voltaire, Stendhal, Émile Zola, Alexandre Dumas, Alexandre Dumas fils, Jules Verne, Victor Hugo, Marcel Proust, Guy de Maupassant, Jean-Jacques Rousseau, Jean Racine, François Rabelais, Gustave Flaubert, Gaston Leroux, Pierre Corneille, Pierre Choderlos de Laclos, 2020-12-17 This unique collection of the greatest French classics books has been designed and formatted to the highest digital standards A History of French Literature François Rabelais Gargantua and Pantagruel Molière Tartuffe or the Hypocrite The Misanthrope The Miser The Imaginary Invalid The Impostures of Scapin Jean Racine Phaedra Pierre Corneille The Cid Voltaire Candide Zadig Micromégas The Huron A Philosophical Dictionary Jean Jacques Rousseau Confessions Emile The Social Contract De Laclos Dangerous Liaisons Stendhal [The Publishers Weekly](#), 1886 [Modernity and the English Rural Novel](#) Dominic Head, 2017-04-07 This book examines the persistence of the rural tradition in the English novel into the twentieth century In the shadow of metropolitan literary culture rural writing can seem to strive for a fantasy version of England with no compelling social or historical relevance Dominic Head argues that the apparent disconnection is in itself a response to modernity rather than a refusal to engage with it and that the important writers in this tradition have had a significant bearing on the trajectory of English cultural life through the twentieth century At the heart of the discussion is the English rural regional novel of the 1920s and 1930s which reveals significant points of overlap with mainstream literary culture and the legacies of modernism Rural writers refashioned the conventions of the tradition and the effects of literary nostalgia to produce the swansong of a fading
